

Associate Benefits Program 2015 Summary Plan Description

Introduction

As an associate of Montefiore Mount Vernon Hospital, Montefiore New Rochelle Hospital or Schaffer Extended Care Center, you enjoy the advantages of an excellent benefits program. The Montefiore Associate Benefits Program provides some very valuable advantages to you and your family, including:

- The *flexibility* to choose from a wide range of benefit options that best meet your individual needs
- The *opportunity* to change your choices once each year as your needs for coverage change

Plus

- Valuable tax-savings opportunities.

This is a Summary Plan Description (SPD) of the plans that make up your Montefiore Associate Benefits Program. It is designed to meet your information needs and the disclosure requirements of the Employee Retirement Income Security Act of 1974 (ERISA). This SPD provides a description of the plans in effect on January 1, 2015. It explains when you become eligible, what benefits the plans pay, any benefit limitations that apply, how to file claims and where to obtain additional information.

We suggest you read this SPD carefully, share it with your family and keep it in a safe place for future reference. If you have questions about your benefits, contact Montefiore’s HR-Benefits Office.

This SPD supersedes all earlier SPDs for the Montefiore Associate Benefits Program. Prior Summary Plan Descriptions and updates described in the fall annual election materials should be discarded.

Information about each of the benefits that make up the Montefiore Associate Benefits Program – and how the Program works – can be found in the following sections.

Temporary Associate – A full-time or part-time associate of Montefiore who is hired and employed to work for a definite period of time of limited duration that does not exceed six months.

How the Montefiore Associate Benefits Program Works

One of the many advantages of Montefiore's Associate Benefits Program is the fall annual election period. At that time, you will receive all the materials you need to make your elections. The decisions you make during the election period will take effect the following January 1 and will stay in effect until you make a change during a subsequent election period or if you have a qualified change in status.

Your choices for coverage can be made in the following benefit areas. Benefits may be subject to restrictions and limitations. Be sure to read the rest of this SPD for a complete description of available benefits.

HEALTHCARE – You make separate elections for Medical, Vision and Dental coverage.

- **Medical** – MonteCare EPO, MonteCare PPO, *or* you can elect no coverage. MonteCare EPO and MonteCare PPO both use the same provider networks.
 - MonteCare EPO requires you to use in-network providers to receive benefits. Within the provider network, you'll save money when you use Montefiore facilities and providers.
 - MonteCare PPO gives you the flexibility to choose any provider you wish (however you'll pay more for healthcare services out-of-network).
- **Vision** – Select the Low or High Option Spectera Vision Plan – *or* you can elect no coverage. Pays benefits for eye exams, eyeglass lenses and frames and contact lenses; you can also receive discounts on laser vision correction and contact lens replacement.
- **Dental** – Select the Preventive & Diagnostic Dental Care Only or Indemnity/PPO Dental Benefits Option (with access to dentists in the Empire Dental Premium Care PPO Network including Montefiore's Department of Dentistry) – the Aetna Dental Maintenance Organization (DMO) *or* you can elect no coverage.

FLEXIBLE SPENDING ACCOUNTS (FSA) – You can contribute to a Healthcare Account and/or Dependent Care Account annually or elect not to make contributions.

Eligibility for Associate Benefits

You are eligible to enroll in the Montefiore Associate Benefits Program if you are a regular or temporary associate of Montefiore Mount Vernon Hospital, Montefiore New Rochelle Hospital or Schaffer Extended Care Center and work at least 50% of a full-time schedule.

Eligible individuals include associates whose collective bargaining agreement provides for coverage under the Montefiore Associate Benefits Program. In determining your eligibility, the Plan Administrator will rely on the worker classification assigned to you by Montefiore as determined under Montefiore's Human Resources Policy and Procedure Manual.

The following associates are *not* eligible for the Montefiore Associate Benefits Program:

- Registered nurses whose position is covered by a collective bargaining agreement with the NYSNA or 1199
 - Associates whose position is covered by a collective bargaining agreement with 1199, Local 445 or Local 30
 - House staff officers
 - Leased employees
 - Independent contractors
- and*
- Any other associate who is not treated as an employee for payroll purposes even if a court or administrative agency determines that such an individual is an employee rather than an independent contractor.

Family Members

Your family members are also eligible for coverage under the Montefiore Associate Benefits Program.

For Healthcare, Dependent Life Insurance and Group Legal Services

Eligible family members include your spouse or qualified domestic partner and children of you, your spouse, or qualified domestic partner whom you can cover through December 31 of the year they reach age 26.

Stepchildren, legally adopted children, and children for whom you are legal guardian are also eligible for coverage, as long as they meet the age requirement.

Coverage can be continued beyond the ages shown above for an eligible child who while covered as your dependent under the Montefiore Associate Benefits Program, becomes disabled – as determined by the Claims Administrator. You will initially be required to provide a physician's statement certifying the child's handicap and provide periodic proof thereafter, as requested by the Claims Administrator and/or Dental Maintenance Organization (DMO). Coverage will continue while you remain covered by Montefiore benefits for as long as the child remains disabled. To apply for this continuing coverage, you must notify Montefiore's HR-Benefits Office in writing on the appropriate forms at least 30 days before the child's coverage would otherwise end.

Your Cost for Coverage

Montefiore Associate Benefits Program costs and options are reviewed periodically and may change at any time and for any reason. The following table shows each of the benefit options available to you and whether or not you contribute toward the cost of coverage.

Benefit area	Cost of Coverage
Medical	
• MonteCare EPO	You and Montefiore share the cost of coverage. Your MonteCare EPO contributions are based on your salary, if you are a full-time or part-time associate, whether you use tobacco and whether you elect single or family coverage. Rates are adjusted for eligible part-time associates based on their full-time equivalent salary.
• MonteCare PPO	You and Montefiore share the cost of coverage. Your MonteCare PPO contributions are also based on your salary, if you are a full-time or part-time associate, whether you use tobacco and whether you elect single or family coverage plus the difference in cost between MonteCare EPO and MonteCare PPO coverage. Rates are adjusted for eligible part-time associates based on their full-time equivalent salary.
Vision	You pay the full cost of coverage.
Dental	If you elect Dental coverage during your first year* at Montefiore, you pay the full cost.
• Preventive & Diagnostic Dental Care Only	After one year, Montefiore pays the full cost; you contribute nothing.
• Indemnity/PPO Dental Benefits Option	After one year, you and Montefiore share the cost of coverage. If you are an eligible part-time associate, your share of the cost is pro-rated based on your schedule as compared to a full-time schedule.
• Dental Maintenance Organization (DMO)	After one year, you continue to pay the full cost of DMO coverage.
Flexible Spending Accounts	You make all of the contributions necessary to fund these accounts.
Basic Life Insurance	If you elect Basic Life Insurance coverage during your first year* at Montefiore, you pay the full cost. After one year, Montefiore pays for coverage equal to one times your annual base salary – up to \$250,000. If your annual base salary is greater than \$50,000, you can opt down to \$50,000 to avoid imputed income.

Benefit area	Cost of Coverage
Basic AD&D Insurance	If you elect Basic AD&D Insurance coverage during your first year* at Montefiore, you pay the full cost. After one year, Montefiore pays for coverage equal to one times your annual base salary – up to \$250,000.
Business Travel Accident (BTA) Insurance	Montefiore pays the entire cost of BTA coverage. You pay nothing.
Supplemental Life Insurance, Optional AD&D Insurance, Dependent Life Insurance, Group Legal Services	You pay the full cost of coverage.
<p>* Service credit for benefits purposes includes:</p> <ul style="list-style-type: none"> • Continuous service in the Montefiore Medical Center Albert Einstein College of Medicine clinical teaching program if it immediately precedes your employment at Montefiore • Periods of continuous regular or temporary employment in an ineligible class (e.g., associates covered by a collective bargaining agreement with 1199 or the NYSNA). <p>Periods of employment as a contingent or per diem associate are not counted as part of your first year of employment.</p>	

Making Your Contributions

Any contributions are deducted bi-weekly.

Any contributions you make for Basic and Supplemental Life Insurance, Basic and Optional AD&D Insurance, Dependent Life Insurance and Group Legal Services coverage are made with after-tax dollars. After-tax dollars are deducted after all applicable taxes have been determined and withheld.

Your contributions for Medical, Vision, Dental and Flexible Spending Accounts are made with *before-tax dollars*.

Before-tax dollars come out of your pay before federal income and Social Security taxes are withheld – and in most states, including New York – before state and local taxes are withheld too. This gives your contributions a special tax advantage and lowers the actual cost to you.

Although before-tax contributions reduce your taxable income, they generally will not affect other benefits related to your income. By making before-tax contributions, you may pay less in Social Security taxes, which could lower your Social Security benefits at retirement or in case of disability. However, any reduction in Social Security benefits should be minimal.

If you elect Medical, Vision or Dental coverage for a qualified domestic partner, the difference between the cost for single and family coverage will be included in your taxable income to calculate withholding taxes each pay period. This amount is subject to federal, state and city income taxes and Social Security and Medicare tax – *unless your qualified domestic partner is a dependent for federal income tax purposes*. If your qualified domestic partner is your dependent, you must provide proof to the Plan Administrator.

How to Enroll

When you first begin at Montefiore and each year during the Fall Annual Benefits Election Period, you have the opportunity to elect your benefit options.

You enroll online at Montefiore's Enrollment Website – www.montebenefits.com. Or, you can call the Benefits Enrollment Call Center **888.860.6166** Monday through Friday between 8am and 8pm EST. An enrollment specialist will help you enroll.

If you have questions about:

- **The enrollment process or the Enrollment Website**, click on the live Chat icon on the top, right toolbar after you log in (Monday through Friday between 8am and 8pm EST).
- **Your benefits**, contact the HR-Benefits Office at **914.378.6530** or at montebenefits@montefiore.org.

Enroll Online

Log On To www.montebenefits.com Using Your Username and Password.

- **Verify Your Personal Information and Dependent Eligibility.**
 - You are required to enter a Primary Contact name and telephone number. It is important for Montefiore to know who to contact on your behalf in the event of an emergency.
 - Enter your family member information. You must include each dependent's name, date of birth and Social Security Number.
 - List your beneficiary designation(s) information for life insurance coverage. Be sure you have each beneficiary's name, date of birth and Social Security Number.

Important

Providing dependent and beneficiary information does not automatically enroll a dependent in coverage or designate a beneficiary. That's accomplished through the benefits selection process.

If you need to make any changes to your personal information, please email the HR-Benefits Office at montebenefits@montefiore.org.

- **Select Your Benefits.**
 - When you enroll, indicate whether you use tobacco. If you have used tobacco products and answer "Yes" to the tobacco user question(s), you will be assessed a higher tobacco user premium. In 2015, this means your medical premium will be 20% higher than a non-tobacco user's premium rate. A non-tobacco user has not smoked, chewed or in any other manner used tobacco products of any kind during:
 - the 12 months immediately before October 1st for Supplemental Life Insurance
 - The 6 months immediately before December 31st or the individual(s) arranges for a consultation with OHS/Referral for Free Nicotine Replacement Therapy by December 31st.

If you do not answer the tobacco use question, you will pay the higher tobacco user premium surcharge for Medical and Supplemental Life Insurance coverage – even if you are not a tobacco user.
 - Enroll family members for healthcare coverage.
 - You *must* make a Healthcare and/or Dependent Care Flexible Spending Account election each year if you want either or both of these accounts.
 - Designate a beneficiary for your Life and AD&D Insurance.

Dependent Verification

If you elect family healthcare coverage, you must submit verification of your family member's status with a copy of the following documentation:

- Marriage License or Affidavit of Domestic Partnership (if marriage between same sex partners is not recognized in your legal state of residence)
- Birth Certificate, final Adoption Papers or Court Documents.

Please send the documents via email, fax or mail to:

- Email: mmcdepverify@winstonbenefits.com
- Fax: **732.903.1166**
- Mail: Winston Financial Services
Montefiore Dependent Audit
PO Box 430
Manasquan, NJ 08736

Should you wish to discontinue coverage for a qualified domestic partner, you will need to complete a *Statement Terminating Domestic Partnership*, which you may obtain from and should return to Montefiore's HR-Benefits Office.

If you are enrolled in the DMO and you do not enroll a dependent (age five or older) within 31 days of the date he/she first becomes eligible, DMO benefits during the first 12 months of coverage will be limited to preventive and diagnostic care, X-rays and pathology, and treatment of accidental injuries sustained while a DMO participant.

You should notify Montefiore's HR-Benefits Office, in writing, within 30 days if a covered family member no longer qualifies for coverage. That way, you can, if you wish, arrange for COBRA coverage for Medical, Vision and Dental benefits. If you fail to notify Montefiore's HR-Benefits Office in writing, your contributions will continue to be based on the family rate even if you have no other covered dependents.

Default Coverage

If you are a newly eligible associate and do **not** enroll within 30 days after you become eligible, you will default to the following coverages and will not be able to make any changes during the year, unless you have a qualified change in status:

- MonteCare EPO – medical coverage for yourself only
- Preventive & Diagnostic Dental Care Option – single dental coverage for preventive and diagnostic care only
- Basic Life Insurance and Basic AD&D Insurance each equal to one times your annual base salary (up to a maximum of \$250,000)
- BTA and Basic Long-term Disability
- No Vision, Supplemental Life Insurance, Optional AD&D Insurance, Dependent Life Insurance, Group Legal Services or Flexible Spending Accounts

HIPAA Special Enrollment Rights

You may request a special enrollment under the following circumstances:

- Within 30-days of the date:
 - You or a family member loses other group health plan coverage (such as a spouse's plan)
 - You acquire a new family member through marriage, establishment of domestic partnership, birth, adoption or legal guardianship
- Within 60-days of the date, you or a family member:
 - Are no longer eligible for coverage under the Children's Health Insurance Program (CHIP) or Medicaid
 - Becomes eligible for premium assistance under the State's Children's Health Insurance Program (CHIP) or Medicaid.

When Coverage Begins

For:	This is when coverage begins if you are eligible and are a:	
	A regular full-time or eligible part-time associate	A temporary full-time or eligible part-time associate
<ul style="list-style-type: none">• Healthcare• Flexible Spending Accounts• Basic and Supplemental Life*, Dependent Life and Basic and Optional AD&D Insurance• Group Legal Services• Long Term Disability	The first day of the month coincident with or after your employment	The first day of the month coincident with or after you complete three months of employment

<p>* If you elect Supplemental Life Insurance coverage that is more than three times your pay, you must provide evidence of insurability to the insurance company. Coverage exceeding three times pay and contributions for that coverage will not begin until you receive written approval from the insurance company.</p>		

Coverage for your enrolled family members begins when your coverage begins provided you have enrolled them within 30 days after they first become eligible. Otherwise, their coverage will not begin until the January 1 after the next fall annual election period in which you enroll them.

If a family member (other than a newborn child) is hospitalized on the day coverage is to begin, coverage for that member won't begin until the confinement ends.

Benefit elections made during the fall annual election period become effective on the following January 1st.

Changing Your Enrollment Decisions during the Year

Internal Revenue Service (IRS) rules restrict your ability to change your Montefiore Associate Benefits Program enrollment decisions at any time other than during the fall annual election period, unless you experience a qualified change in status.

Qualified status changes include:

- Your marriage, divorce, legal separation, or annulment
- Establishment or termination of a qualified domestic partnership
- Birth, adoption or legal guardianship of a dependent child
- Death of a family member
- Failure of a child to qualify as a dependent (i.e., he or she reaches the maximum age for coverage or is no longer handicapped)
- Change in your spouse's or qualified domestic partner's employment (either starts a new job or terminates employment) or involuntary loss of insurance coverage under another group plan
- Change in your, your spouse's, qualified domestic partner's position or schedule that makes you ineligible for coverage
- Change from a non-participating part-time to an eligible associate
- Change from a full-time to an eligible part-time associate
- Geographic relocation that changes your DMO membership options
- Strike or lockout involving you, your spouse, qualified domestic partner or dependent
- Commencement or return from an unpaid leave of absence by you, your spouse, qualified domestic partner or dependent.

If you experience a qualified change in status, you can modify your Montefiore Associate Benefits Program coverage, provided:

- You notify Montefiore's HR-Benefits Office in writing within 30 days of the change in status, otherwise you will have to wait until the next fall annual election period to modify your coverage and/or to add newly eligible family members
- You furnish appropriate documentation – i.e., a marriage certificate, birth certificate, etc.
and
- The adjustment you make is consistent with the status change.

Any change in coverage will generally take effect as of the date of the status change. However, those coverage changes which require approval by an insurance company (for example, electing or increasing the amount of your Life Insurance, or electing or increasing Dependent Life Insurance more than 30 days after a family member first becomes eligible) will not go into effect until you receive written notification from the insurance company that your application has been approved. Your contributions will be deducted bi-weekly after Montefiore's HR-Benefits Office has been notified that the new coverage is effective.

If Your Pay Is Stopped or Reduced

If your pay is reduced for any reason, your contributions will continue as long as you remain an eligible associate and your salary is sufficient to cover any required contributions. If your salary is not sufficient, you must make arrangements to prepay these premiums.

For example, your pay may be reduced if:

- You exhaust your paid time off benefits
- You switch from a full-time to a part-time schedule
- or*
- You are an eligible part-time associate whose schedule is reduced.

Coverage during Approved Leaves of Absence

If you request and are approved for a leave of absence under the Family and Medical Leave Act (FMLA) or the Uniformed Services Employment and Reemployment Rights Act (USERRA), you will be entitled to continue your healthcare coverage provided you satisfy certain requirements. Contact Montefiore's HR-Benefits Office for additional information.

Family and Medical Leave – If you go on an approved FMLA leave you can elect to:

- Continue healthcare coverage for yourself and any enrolled dependents and pay the required contributions
- or*
- Suspend coverage during your leave. (If you suspend coverage, you and your dependents will be covered on the day you return to work. Evidence of insurability will not be required.)

If you elect to continue coverage, it will continue for the duration of your leave or until the earlier of the following:

- You fail to pay the required contribution within 30 days of its due date
- or*
- The date you notify Montefiore that you will not return to work from your leave. (In this case, you will be required to reimburse the Montefiore Associate Benefits Program for the Montefiore-paid portion of the health insurance premium unless your termination of employment is from reasons beyond your control.)

Military Leave – Healthcare coverage continues for the first six-months of a military leave provided you continue to make the required contributions. If you remain absent for more than six-months, you can elect COBRA continuation coverage. Coverage for your family members remains in effect for six-months after which they can elect COBRA continuation coverage.

Personal Leave – Healthcare coverage continues through the end of the month in which your approved personal leave of absence begins provided you continue to make the required contributions. If you remain absent from work for more than 30 days, you can elect COBRA continuation coverage.

Sabbatical – You can elect to continue your healthcare coverage for up to six months of an approved sabbatical provided you continue to make the required contributions. If you suspend coverage during your leave, you and your dependents will be covered on the day you return to work – without having to provide evidence of insurability.

Paying For Coverage During a Leave

If you elect to continue coverage during an approved leave, you must continue to make the required contributions. You can:

- Pre-pay the entire amount before your leave begins on a before-tax basis
- or*
- Make contributions on a monthly basis after your leave begins using after-tax dollars.

The facility must be under the supervision of physicians with registered nurses on duty at all times. For hospitalization, medically necessary also means that due to the patient's general health or the severity of the medical condition, treatment cannot be provided on an outpatient basis or in another, less intensive inpatient facility.

For ambulance service, medically necessary means the severity of the individual's medical condition precludes any other means of transportation.

MonteCare – MonteCare EPO and MonteCare PPO of the Montefiore Associate Benefits Program.

Montefiore Integrated Provider Association (MIPA) – a network of providers established by the Contract Management Organization (CMO) of Montefiore Medical Center. The HR-Benefits Office does not participate in selecting physicians who join the MIPA. The MIPA ensures physicians' credentials. This type of arrangement is called a Preferred Provider Organization (PPO). MIPA physicians must be board-certified or board-eligible and must meet MIPA standards. Montefiore contracts with the MIPA under MonteCare PPO for provider services only. You can call the Montefiore CMO Customer Service Department at **914.377.4400** to determine MIPA providers.

- An individual weighs at least 100 pounds more than his or her normal body weight or twice the normal weight of a person the same height
- and*
- Conventional weight reduction measures have failed
- and*

Non-duplication of Benefits – A provision which limits payments from all sources to an amount that MonteCare would have paid had there been no other coverage available.

Nurse – A registered graduate nurse (RN), licensed vocational nurse (LVN), licensed practical nurse (LPN) or nurse practitioner – if licensed in the state where he or she practices for the services provided.

Participating Pharmacy – A retail pharmacy which has contracted with Express Scripts to provide prescription services.

Reasonable and Customary (R&C) – Reasonable and Customary charges are based on an HIAA survey of charges assessed for similar care within the geographic area in which the services are provided. Empire establishes its payment schedule for out-of-network claims based on the 70th percentile of these charges. The Plan benefit is then determined by applying the cost-sharing percentage (e.g. 70% or 80%) to this amount; you are responsible for paying the balance of the bill to the provider.

Separate Admission – Two or more hospital admissions for the same or a related condition that are separated by at least 90 days, or which are to treat entirely different illnesses or injuries.

Separate Surgical Procedure – Surgical procedures performed at different operative sessions. If two or more surgical procedures are performed during the same operative session through:

An Overview of Your Medical Options

Montefiore offers two Medical options from which you can choose – MonteCare EPO and MonteCare PPO. While each of the options generally covers the same healthcare services, they differ in the following areas:

- **Your share of the cost** – including:
 - Any premiums which you pay whether or not you use the plan
plus
 - Any deductibles and/or coinsurance and copayments you have to pay when you receive healthcare services.
- **Provider selection** – MonteCare EPO and MonteCare PPO both use the same provider networks.
 - MonteCare EPO requires you to use in-network providers to receive benefits. Within the provider network, you'll save money when you use Montefiore facilities and providers.
 - MonteCare PPO gives you the flexibility to choose any provider you wish (however you'll pay more for healthcare services out-of-network).

Provider Network

Provider networks include hospitals, laboratories, physicians and other healthcare providers who have agreed to charge negotiated rates for their services. The negotiated rates are lower than typically charged. Many healthcare providers belong to more than one network.

For	MonteCare EPO/MonteCare PPO Network
Hospitals and Other Facilities	Empire BlueCard PPO and Montefiore Network (including Moses, Weiler, Wakefield, Westchester Square, The Children's Hospital at Montefiore, Montefiore New Rochelle Hospital, Montefiore Mt. Vernon Hospital, Montefiore Ambulatory Surgical Facilities, Montefiore Imaging Center, Montefiore Department of Radiology, Advanced Endoscopy Center and NY GI Center)
Skilled Nursing Facility, Hospice	Empire BlueCard PPO Network and Schaffer Extended Care Center
Laboratories	Quest Laboratories, LabCorp and any hospital laboratory participating in the Empire BlueCard PPO and Montefiore Network (including Moses, Weiler, Wakefield, Westchester Square, The Children's Hospital at Montefiore, Montefiore New Rochelle Hospital, Montefiore Mt. Vernon Hospital)

Physicians, Therapists and Counseling for Mental Health and Substance Abuse	Montefiore Integrated Provider Association (MIPA), Empire BlueCard PPO Network, Montefiore Behavioral Care Integrated Provider Association (MBCIPA) and Empire Behavioral Health Network

The network changes continually – new physicians are added, others leave the network. It is your responsibility to confirm whether or not a physician is participating in the network when you call to make an appointment and at the time of each visit. For more information or if you would like to find a network provider you can contact the Montefiore CMO Customer Service Department at **914.377.4400**, Empire at **866.236.6748** or online at www.empireblue.com/montefiore.

The Deductible

The *deductible* is the amount you must pay before benefits for certain covered services are paid. The deductible applies to each covered individual once each calendar year. The covered expenses of all family members may be used to help meet the family maximum.

The amount of the deductibles depends on the option and level of coverage you elect, as follows.

	Montefiore Network	Empire BlueCard PPO Network	Out-of-network
MonteCare EPO Individual/Family Deductible	None	\$500/\$1,000	Not covered
MonteCare PPO Individual/Family Deductible	None	\$200/\$400	\$1,000/\$2,500

The deductible does not apply to services provided at Montefiore facilities and by Montefiore providers

Annual Out-Of-Pocket Maximum

The annual out-of-pocket maximum is the maximum total dollar amount you have to pay for eligible medical expenses including coinsurance, deductibles and copayments (up to R&C limits) in any calendar year.

Once the annual out-of-pocket maximum is reached, the Medical options pay 100% of all remaining eligible covered medical expenses for that individual (or family) for the rest of that calendar year.

Here are the annual out-of-pocket maximums for each Medical option.

	In-network	Out-of-network
MonteCare EPO		
• Individual/Family Out-of-pocket Maximum (Deductible + Copayments + Coinsurance)	\$5,350/\$10,700	Not covered
MonteCare PPO		
• Individual/Family Out-of-pocket Maximum (Deductible + Copayments + Coinsurance)	\$5,350/\$10,700	\$6,000/\$17,500

Covered Expenses

In-hospital Care

The Medical options cover semi-private hospital room, board and medical supplies for up to 365 days of treatment. If only private rooms are available, the Medical options cover those charges up to the prevailing semi-private room rate in the area in which treatment is received.

Inpatient expenses include:

- Anesthesia supplies and use of equipment
- Dressings and plaster casts
- Drugs and medicines for use in the hospital
- General nursing care (in-hospital private duty nursing care is not covered)
- Intensive care, coronary care or other special care units and equipment
- Medical services and supplies customarily provided by the hospital, other than personal convenience items
- Oxygen and use of equipment for its administration
- Use of blood transfusion equipment and administration of blood or blood derivatives if administered by a hospital employee
- Use of operating, cystoscopic and recovery rooms
- X-rays and laboratory examinations.

Coverage is also provided for:

- Cosmetic Surgery – if needed to repair damage caused by an accident or a birth defect
- Dental work or surgery if your physician certifies that hospitalization is necessary to safeguard your life
- Maternity care – a minimum of 48 hours following vaginal delivery; 96 hours following delivery by cesarean section; earlier release is possible after consultation between the attending physician and the mother
- Organ and tissue transplants – if the covered person is the recipient (benefits for the donor will also be covered if that person is not covered by any other group health insurance plan)
- Prosthetics and orthotics – when billed with another covered service such as minor/ambulatory surgery, cataract surgery or breast reconstructive mandates
- Treatment in a hospital emergency room or similar facility for a bona fide medical emergency
- Well baby nursery and physicians' charges during the initial confinement while the mother is confined in the same hospital – for up to the number of days medically necessary and appropriate for the type of delivery (well baby nursery care will not be paid for any additional days the mother remains hospitalized due to an illness, injury or complications following delivery).

Inpatient Psychiatric Care/Substance Abuse

The Medical options provide benefits for inpatient psychiatric care and substance abuse – in either a general hospital or special treatment facility.

For purposes of this benefit, a general hospital means the following:

- In New York State
 - For alcoholism – a facility certified by the New York State Division of Alcoholism and Alcohol Abuse
 - For substance abuse – a facility certified by the New York State Division of Substance Abuse Services
- Outside of New York State – a facility with a treatment program approved by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO).

Non-Montefiore Pre-certification

You must pre-certify inpatient stays at non-Montefiore hospitals through Conifer Value Based Care.

If you fail to pre-certify, you will pay a higher inpatient coinsurance or copayment than is otherwise required under the MonteCare EPO and MonteCare PPO plans.

The pre-certification process will ensure that services are medically necessary and are being provided in an appropriate treatment setting *before you submit* a claim. Once a stay is pre-certified, Conifer Value Based Care will notify:

- Empire BCBS to ensure that the correct copayment is applied, and
- Care Guidance, so they can offer medical management services, including coordinating with you or a covered dependent at critical points in care, helping to answer questions related to your inpatient stay and providing information about resources for after care.

To minimize your out-of-pocket costs, it is important that you contact Conifer Value Based Care:

- 4 days before a non-emergency inpatient admission
- Within 48 hours or as soon as is reasonably possible after an emergency admission
- When newborn inpatient hospital stays exceed 48 hours for vaginal delivery and 96 hours for C-Section.

You can contact Conifer Value Based Care at **855.381.3441**.

Non-Duplication of Benefits

The Medical Options contain a non-duplication of benefits feature. This feature applies when you or a family member is covered by more than one group medical plan. It limits payments from all sources combined to no more than the Medical options would pay if there had been no other coverage. The provision also applies to Medicare, Champus/Tricare and any other government programs with which the Medical Options are allowed to coordinate by law. The non-duplication of benefits provision does not apply to any personal policy, except no-fault automobile insurance. This provision does not apply to Medicaid or any other government programs with which the Medical options are not allowed to coordinate by law.

Under the non-duplication of benefits provision, the plan that has primary responsibility always pays first. Briefly, non-duplication of benefits works like this.

- When the other plan does not have a non-duplication or coordination of benefits provision, it is considered primary.
- When both plans have a non-duplication or coordination of benefits provision:
 - The plan covering the person as an employee is primary and will pay benefits up to the limits of that plan; the plan covering the person as a dependent, retiree or COBRA participant (terminated employee who elected COBRA coverage) is secondary and pays any remaining eligible costs.
 - The plan covering the parent whose birthday comes first (month and day) in the year is the primary plan and will pay children's benefits first; the plan covering the other parent pays second and pays the remaining costs to the extent of coverage. This is called the "birthday" rule and is currently used by the Medical options.
 - In those plans which do not include the "birthday" rule, the father's plan is primary and will pay children's benefits first; the mother's plan pays second. This is called the "male-female" rule.
 - If one parent is covered by the "male-female" rule and the other by the "birthday" rule, the "male-female" rule applies.
 - If the parents of a dependent child are divorced or legally separated, the claims administrator will determine if there is a court decree which establishes financial responsibility for medical and dental care. If there is such a decree, the plan covering the parent who has that responsibility will be primary and pays first.
 - If there is no decree, the plan which covers the child as a dependent of the parent with custody is primary and pays first; the other parent's plan is secondary.
 - If there is no decree and the parent with custody remarries, that parent's plan remains primary; the stepparent's plan is secondary; the non-custodial parent's plan is third.
- If payment responsibilities are still unresolved, the plan that has covered the patient for the longest time is the primary plan and pays first.

Under non-duplication of benefits, if your Medical option pays benefits second, it will not duplicate any benefits that have already been paid. If the other plan pays as much or more than your Medical option, no payments will be made.

For example, suppose your spouse's medical plan covered a hospital bill at 80%, and your Medical option would have covered that same bill at 80%. Since your spouse already received benefits from his or her plan equal to what your Medical option would have paid, no benefits would be paid.

The non-duplication of benefits feature also applies to the Express Scripts Prescription Drug Program. If the Express Scripts Prescription Drug Program is the secondary payer, you can submit a claim to Express Scripts after you have been reimbursed from the primary plan. A copy of the primary plan's Explanation of Benefits (EOB) must accompany the claim form.

Claims should always be submitted to the primary plan first.

Coordination with an HMO

The Medical Options also coordinate benefits with an HMO if:

- You are covered as a dependent under your spouse's (or qualified domestic partner's) HMO and are also enrolled in a Medical option
- or*
- Your spouse (or qualified domestic partner) is covered by an HMO and is also enrolled as your dependent in a Medical option.

In these instances, you may file a claim under Montefiore medical benefits for expenses not covered by the HMO. If the claim is for a covered expense, the option will pay its regular benefit.

Coordination with Medicare

Montefiore medical benefits provide primary coverage for the following covered Medicare-eligible individuals:

- Active associates and their spouses age 65 or older
- Individuals with End Stage Renal Disease for 30 months or less
- Covered disabled dependents of active associates.

If you are an active associate age 65 or over and eligible for Medicare, you can elect primary coverage under Medicare. However, if you do, no benefits will be payable under Montefiore medical benefits.

In addition, if you continue to work after age 65, you should notify the Social Security Administration. Otherwise, when you eventually enroll for Medicare, you will pay a higher premium.

If You Continue to Work after Age 65

At age 65, or earlier if disabled, you will become eligible for Medicare, a U.S. federal government health insurance program for people age 65 and older and some disabled people. You can enroll in Medicare whether you continue to work or not. But if you continue to work, you also remain eligible for Montefiore medical benefits.

If you continue to work, you and your spouse or qualified domestic partner age 65 or over have the option to continue to be covered by Montefiore medical benefits. If you choose to be covered by Montefiore medical benefits and have enrolled in Medicare, your Montefiore medical coverage will be primary to Medicare. Medicare will become your secondary plan and provide coverage for eligible expenses that your Montefiore coverage does not cover in full. If you are working for Montefiore when your spouse or qualified domestic partner becomes Medicare eligible, he or she will have the same coverage as you have elected for yourself, if you elect family coverage.

If you make no election with respect to Medicare, you will continue to be covered by Montefiore medical benefits until the date you are no longer eligible for coverage or until you elect to waive coverage, whichever is earlier.

If you elect not to be covered by Montefiore medical benefits (that is, you waive coverage), Medicare will be primary. If you choose Medicare as your primary insurance plan, you will not be eligible to receive medical benefits from Montefiore because federal law prohibits offering supplemental benefits for expenses covered under Medicare to active employees or their dependents.

Before you reach age 65, you should contact your local Social Security office to notify them that you will remain actively employed and have elected to continue coverage under your employer's medical plan. Otherwise, you will be charged a higher premium for Medicare Part B when these benefits begin.

If you are age 65 and eligible for Medicare because of a disability, Montefiore medical benefits will be the primary payer if you are entitled to Medicare Part A and are covered as a result of your or a family member's current employment status. However, if you are disabled as a result of End Stage Renal Disease ("ESRD") your coverage will only be primary for a 30-month period beginning with either:

- The first of the month in which you become entitled to Medicare Part A on the basis of ESRD
- or*
- The first of the month you would have been entitled had you applied, whichever occurs first.

Prescription Drug Benefits

Prescription drug benefits are available for associates who elect medical coverage.

- If you elect the MonteCare EPO or MonteCare PPO, Montefiore's outpatient pharmacies provide prescription drug benefits for you and your covered family members up to a:
 - 30-day supply for new prescriptions for chronic medications and seasonal allergy medications.
 - 90-day supply for refills and all other medications.
- Generic medications will be filled at no cost to you through Montefiore outpatient pharmacies. If you obtain a brand name (preferred and non-preferred) drug:
 - when a generic equivalent is not available, you will be required to make a copayment of \$20 for a 30-day supply; \$40 for a 90-day supply.
 - when a generic equivalent is available, you will pay the difference in cost between the generic and brand name drug.
- Express Scripts prescription drug benefits are also available through:
 - Participating retail pharmacies (up to a 30-day supply of each prescription).
 - If you use a non-participating pharmacy in an area where there is a participating pharmacy available, your reimbursement will be 75% of the R&C cost of the prescription.
 - Home Delivery Pharmacy Service.
 - 30-day supply for new prescriptions for chronic medications and seasonal allergy medications.
 - 90-day supply for refills and all other medications.
- If you purchase a brand name medication (preferred and non-preferred) when a generic equivalent is available, you are responsible for the retail or mail order generic copayment plus the difference in cost between the generic and the brand name medication.

Copayments for brand name drugs obtained through Montefiore outpatient pharmacies are significantly lower than the copayments you pay at Express Scripts participating retail pharmacies or through the Home Delivery Pharmacy Service.

Prescription Drug Out-of-pocket Maximum

Your share of expenses for prescriptions obtained from Montefiore outpatient pharmacies, Express Scripts participating retail pharmacies, home delivery pharmacy service or out-of-network pharmacies is limited to \$1,250 for any one covered person (\$2,500 for a family) in a calendar year. Once that maximum is reached, the Plan pays 100% of any remaining prescription drug expenses for that individual for the rest of the calendar year.

If you purchase a brand name medication (preferred and non-preferred) when a generic equivalent is available, you are responsible for the retail or mail order generic copayment plus the difference in cost between the generic and the brand name medication. The difference in cost between generic and the brand name medications is not included in the out-of-pocket maximum and is not eligible for 100% reimbursement after the out-of-pocket maximum has been met.

Benefit Summary

Copayments are based on the generic, preferred, non-preferred or specialty drug classification of each prescription.

Specialty Medications

Specialty medications are not covered under MonteCare EPO or MonteCare PPO. However, they are covered under Montefiore's prescription drug benefits when filled through Montefiore's outpatient pharmacies, Express Scripts participating retail pharmacies or Express Scripts' specialty pharmacy, Accredo.

Note: If a specialty medication is not available at a Montefiore outpatient pharmacy, you may fill the prescription through Express Scripts' specialty pharmacy, Accredo, and pay the Montefiore outpatient pharmacy copayment. If a specialty drug needs to be mailed out of state, you must use Express Scripts' specialty pharmacy, Accredo. The Montefiore outpatient pharmacy copayment will also apply in this situation.

Utilization Management Features

The following plan features are designed to increase the quality and safety of the Prescription Drug Program. In addition, they can help keep prescription drug costs under control – for you and Montefiore.

- **Drug Utilization Review** – is designed to ensure that plan participants receive appropriate prescription medication. Express Scripts/Medco reviews your prescriptions and will contact your doctor if they identify potentially unsafe prescribing patterns. Express Scripts' determination is based on FDA-approved prescribing and safety information, clinical guidelines, and uses that are considered reasonable, safe, and effective.

The review also regulates the timing between prescription refills. You must use at least 75% of a prescription before a refill will be approved. If you need a prescription refill sooner – for example, if you will be traveling – you can call Express Scripts for a waiver.

- **Preferred Drug Step Therapy (PDST)** – This feature requires you to try a generic alternative or preferred brand name medication before a higher cost non-preferred drug is used. Generic alternatives are generic drugs that are approved by the FDA for the exact same use, or for similar uses, when treating a particular medical condition, i.e., where they are clinically interchangeable. Generic alternatives are not the same as generic equivalents, which have the same active ingredients and treat the same conditions. If your doctor prescribes a non-preferred drug, Express Scripts will work with your doctor to see if a generic alternative or preferred brand name medication would be equally effective. (In some cases, special circumstances may require you to use a non-preferred drug.) This feature generally applies to the following drug categories Angiotensin II Receptor Blockers (ARBs), Atypical antipsychotics, Anti-Depressants, CNS Stimulants & Amphetamines, Dermatologicals, Gastrointestinal, Intranasal Steroids, Migraine Medications, Osteoporosis, Pain Management, Rheumatoid Arthritis, Pulmonary Arterial Hypertension and Sleep Medications. Express Scripts will notify you if you are currently taking non-preferred drugs that have lower cost alternatives available.

Note: If your prescription history shows that preferred drugs have already been tried, your prescription will be filled without a coverage review.

- **Drug Specific Prior Authorization** – This feature insures that drugs are being used for their designed purpose. If you are taking any of the following classifications of drugs, Express Scripts will review your prescriptions and contact your doctor to determine if your prescription qualifies for drug coverage based on nationally accepted clinical guidelines and standards: Anabolic Steroids, Anti Narcoleptic Agents, Cosmetics, Dermatological Agents, Erythroid Stimulants, Human Growth Hormone, Immunomodulatory Agents, Interferons, Misc. Hormones-Acthar H.P. Gel (Specialty), Multiple Sclerosis Therapy, Myeloid Stimulants, Select Androgens, Specialty and Weight Loss Agents. If you are taking drugs that require prior authorization, Express Scripts will notify you and provide you with instructions for beginning a coverage review.

Express Scripts Quantity/Dose Limitations

Prescriptions for generic and brand name medications will only be filled in quantities and doses that are consistent with manufacturer and FDA clinical guidelines. If your doctor prescribes a drug in a quantity/dose that exceeds these guidelines your prescription will be filled according to the guidelines.

If you are currently taking a drug in a quantity that is affected by these guidelines you will be pre-notified by Express Scripts – at which point you or your physician can initiate a coverage review process in order for greater quantities to be filled.

- Anticonvulsant
- Anti-emetics
- Anti Narcoleptic Agents
- Diabetes
- Erectile dysfunction therapy
- Hypnotic agents
- Hepatitis C
- Lovaza
- Migraine medications
- Nausea medications
- Osteoporosis

Medicare Part D Notice

Important Notice from Montefiore Medical Center about Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Montefiore Medical Center and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Montefiore Medical Center has determined that the prescription drug coverage offered by Montefiore's medical options is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, you will still be eligible to receive all of your current health and prescription drug benefits, provided you continue your Montefiore coverage.

If you do decide to join a Medicare drug plan and drop your current Montefiore coverage, be aware that you and your dependents will be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Montefiore Medical Center and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

Glossary of Key Terms

Active Course of Orthodontic Treatment – A period of treatment that begins when the first orthodontic appliance is installed and ends when the last one is removed.

Coinsurance – The percentage of the cost you pay for covered expenses under Medical and Dental benefits, or any other sources of medical and dental payments, such as an employer-sponsored health plan or automobile insurance, once the appropriate deductibles have been satisfied.

Consolidated Omnibus Budget Reconciliation Act (COBRA) – Federal legislation that provides participants who lose healthcare coverage with an opportunity to elect to continue healthcare coverage for a specified period of time by paying the full premium plus a 2% administrative charge.

Coordination of Benefits – A provision that applies when you or a family member is entitled to benefits from this Plan and another group plan providing dental benefits. Under this provision, the benefits payable from all coverages combined are limited to 100% of the eligible expense.

Deductible – The dollar amounts that you must pay each year for certain covered services before Indemnity/PPO Dental Benefits Option and the DMO (out-of-network in New York and Connecticut) start paying part of the costs. There is no deductible under Preventive & Diagnostic Dental Care Option.

Dental Maintenance Organization (DMO) – The DMO is a group of healthcare professionals and facilities that provide dental care. The DMO covers a wide range of dental services and typically requires a copayment for office visits and certain other services.

Dentist – An individual holding a degree of Doctor of Dental Surgery (DDS), or Doctor of Dental Medicine (DMD) who practices within the scope of his or her license under the laws of the state or jurisdiction in which services are provided.

Doctor (or physician) – An individual holding a degree of Doctor of Medicine (MD), Doctor of Osteopathy (DO), Doctor of Dental Surgery (DDS), Doctor of Dental Medicine (DDM), Doctor of Podiatric Medicine (DPM) or Doctor of Chiropractic (DC), who practices within the scope of his or her license under the laws of the state or jurisdiction in which the services are provided.

Empire BlueCross BlueShield (Empire) – The Claims Administrator for the MonteCare PPO, Preventive & Diagnostic Dental Care Option and the Indemnity/PPO Dental Benefits Option. Empire is not the Claims Administrator for prescription drug and vision benefits, Flexible Spending Accounts, HMOs or Life Insurance.

Empire Dental Prime and Complete Member Services Network (for Preventive & Diagnostic Dental Care and Indemnity/PPO Dental Benefits participants) – A national network of dental providers (including the Montefiore Medical Center Department of Dentistry) who have agreed to charge negotiated rates for their services, which are typically lower than they would otherwise charge. For more information or if you would like to find a network provider you can contact Empire at **866.236.6748** or online at www.empireblue.com/montefiore.

Reasonable and Customary (R&C) – Reasonable and Customary charges are based on an HIAA survey of charges assessed for similar care within the geographic area in which the services are provided. Empire establishes its payment schedule for out-of-network claims based on the 70th percentile of these charges. The Plan benefit is then determined by applying the cost-sharing percentage (e.g. 80% or 50%) to this amount; you are responsible for paying the balance of the bill to the provider.

Subrogation – The right of the Montefiore Medical Center Montefiore Associate Benefits Program to recover medical or dental expenses paid to a participant for illness or injuries wrongfully caused by a third party or any illness or injury for which you and/or your family members are eligible to receive reimbursement from a third party.

Subrogation Agreement – A written agreement in which a covered individual agrees to reimburse the appropriate Plan for medical and/or dental benefits resulting from illness or injuries caused by a third party or any illness or injury for which you and/or your family members are eligible to receive reimbursement from a third party. The agreement must be signed by the associate and/or his or her family members, if applicable, before Plan payments are made to reimburse expenses incurred as a result of such illness or injury.

An Overview of Your Dental Options

You have two Montefiore indemnity Dental options (Preventive & Diagnostic Dental Care and Indemnity/PPO Dental Benefits) with an option to choose a dentist in the Empire Dental Premium Care PPO Network and the Aetna Dental Maintenance Organization (DMO) from which to choose, or you can elect no coverage. Your coverage will depend on the option you elect.

The DMO

Under the DMO, if you use a network primary care dentist:

- Your out-of-pocket dental expenses are typically lower than under the other Dental options
- You make copayments only for specified covered services
- You have no deductibles to pay
- There are virtually no claim forms to fill out

and

- You don't have to wait to be reimbursed (subject to certain limitations and exclusions).

However, to get the most from the DMO you must receive care from DMO participating network dentists.

If you select the DMO, you choose a network primary care dentist for you and each enrolled family member. The dentist you select provides your dental care and will make referrals when appropriate to specialists within the DMO network. No referral is needed to see a network orthodontist. As with the other Dental options, there are restrictions on the frequency and/or age limitations of certain procedures.

You and your covered family members can choose the same network primary care dentist or you can select a different dentist for each. The DMO network is nationwide, so even students away from home at school can choose their own network primary care dentist. You can change your network primary care dentist once a month. If you call by the 15th of the month, the change will be effective the first of the following month. All you do is call **800.THE.DMO1**.

If you use out-of-network dentists (or see a network specialist without the required referral from your primary care dentist) while enrolled in the DMO, benefits are determined based on your state of residence. Any out-of-network benefits that may be payable are based on a schedule, and generally subject to a \$100 individual annual deductible.

Treatment Using Preferred Providers

Montefiore's indemnity Dental options (Preventive & Diagnostic Dental Care and Indemnity/PPO Dental Benefits) provide access to the Empire Dental Prime and Complete Member Services Network including the Montefiore Medical Center Department of Dentistry. Plan participants can receive treatment from dentists who have agreed to provide services at a discount. Just like the Empire Network for health benefits, the discount applies to the cost of covered services provided. It does not affect the cost-sharing percentages established by the Plan. You are not required to use these providers, but you may save money if you do. Check the Empire Website (www.empireblue.com/montefiore) for a list of participating dentists.

The Deductible

The *deductible* is the dollar amount that you must pay *before* the Indemnity/PPO Dental Benefits Option and the DMO (out-of-network in New York and Connecticut) start paying benefits for certain expenses. The deductible applies to each covered individual once each calendar year.

The deductible amount is the same under the Indemnity/PPO Dental Benefits Option and the DMO – \$100 for each individual. Under the Indemnity/PPO Dental Benefits Option any amounts you pay toward *basic, major and orthodontic services* count toward satisfying the deductible. Under the DMO, out-of-network *preventive, basic and major services* (not orthodontic care) are subject to the deductible.

¹ Out-of-network benefits are only available to DMO participants who live in New York or Connecticut. If you live in New Jersey no out-of-network benefits will be paid except in an emergency. Out-of-network covered services, except orthodontic care, are subject to a \$100 individual annual deductible.

² Reasonable and Customary charges are based on an HIAA survey of charges assessed for similar care within the geographic area in which the services are provided. Empire establishes its payment schedule for out-of-network claims based on the 70th percentile of these charges. The Plan benefit is then determined by applying the cost-sharing percentage (e.g., 80% or 50%) to this amount; you are responsible for paying the balance of the bill to the provider.

Pre-Treatment Review (Indemnity/PPO Dental Benefits Option)

Pre-treatment review lets you know in advance how much the Indemnity/PPO Dental Benefits plan option will reimburse you when extensive dental work is expected.

Whenever your dentist recommends an elective dental procedure, you may want to have your dentist submit a proposed course of treatment to Empire before the work begins.

Although the pre-treatment review procedure is not required, it can be helpful to you since many dental procedures are elective and some dental conditions can be treated in more than one way. When a condition can be treated in one of several ways, Empire will base its payment on the least costly alternate procedure that is consistent with good dental care. Using a pre-treatment review can help to avoid a misunderstanding about what expenses will be reimbursed and let you know what portion of the cost you will be required to pay.

Alternate Treatment (DMO)

In some situations there is more than one way to treat a particular dental condition in accordance with broadly accepted standards of dental practice. For example, either a crown or a filling might be used to restore a tooth. Both options are acceptable methods of correcting the problem. The difference lies in the cost.

Under the Alternate Treatment rule, the DMO will pay benefits for the procedure that provides the most effective long-term solution at the lowest cost – provided it is otherwise a covered service. (In this example, the filling would be the most cost-effective long-term solution.) However, you always have the option of permitting the dentist to perform the more expensive procedure, although you will be responsible for paying the difference in the cost.

Out-of-Area Emergency Treatment (DMO)

If you or a covered family member is more than 50 miles from home and has a dental emergency, the DMO will reimburse reasonable charges for palliative (pain relief or stabilization) expenses up to a maximum benefit of \$100 for each separate emergency condition.

Maximum Benefits

If you elect the Indemnity/PPO Dental Benefits Option, you and each covered family member can receive up to \$1,500 in annual benefits for preventive and diagnostic, basic and major services combined, however, you can increase your annual maximum benefit by \$500 (up to \$2,000) if you use a dentist in Montefiore's Department of Dentistry. There is a separate individual lifetime maximum benefit of \$2,000 for orthodontics.

If you elect the DMO and obtain care from your network primary care dentist, there are generally no maximum benefit levels. However, frequency of treatment and/or age limitations may apply, as described in the list of covered dental services and supplies.

Exclusions

The Preventive & Diagnostic Dental Care Option will not pay for any services other than preventive and diagnostic.

In addition, the Indemnity/PPO Dental Benefits Option does *not* pay benefits for all dental services and supplies – even if recommended by a dentist. Expenses *not* covered include:

Coordination of Benefits

Montefiore's Preventive & Diagnostic Dental Care Option and the Indemnity/PPO Dental Benefits Option contain a coordination of benefits (COB) feature. This feature applies when you or an eligible family member is covered by more than one group plan providing dental benefits. It limits combined benefits from all group dental plans to 100% of covered expenses subject to plan maximums. Under the coordination of benefits provision, the plan that has *primary* responsibility always pays *first*. The rules for determining which plan pays benefits first are the same as described in [Non-duplication of Benefits](#).

Claims should always be submitted to the primary plan first. Under the COB provision, you and your dependents can receive up to 100% of covered dental charges from all group plans combined – but no more than that.

If You Are Enrolled in the DMO

The coordination of benefits feature does not apply to the DMO. This means that the DMO is always primary.

If You Continue to Work after Age 65

If you continue to work for Montefiore after you reach age 65, you and your enrolled family members, if you elect family coverage, will have the same Dental options provided to active associates under age 65.

Claiming Healthcare Benefits

Claims should always be submitted to the primary plan first.

For Urgent Care Claims

If you file an urgent care claim, the Claims Administrator will make an initial benefit determination within 24 hours after they receive your properly completed claim form and all required documentation.

An urgent care claim is a claim filed before medical services are received and is for conditions in which receiving medical care quickly is a critical factor in:

- assuring the patient's life, health or ability to regain maximum function
or
- in the opinion of a physician with knowledge of the patient's medical condition, avoiding severe pain.

If you file an incomplete urgent care claim, the following steps show the procedure and timing.

1. Within 24 hours after receiving your claim, the Claims Administrator will notify you that your claim is incomplete and tell you what information you need to provide.
2. You provide the requested information within the timeframe set by the Claims Administrator (but in no case less than 48 hours).
3. The Claims Administrator makes a final determination on the claim within 48 hours after:
 - you provide the requested information
or
 - the end of the time period you have to provide the requested information. . . whichever is earlier.

If your claim is denied, you will receive notice of the denial as described in [“If Your Claim is Denied”](#). The initial denial of your urgent care claim may be provided orally. However, you will receive written notification of the denial within three days after the oral notification.

For Post Service Claims

If you file a post service claim, the Claims Administrator will send you written notification of their benefit determination within 30 days after receiving the claim. If matters beyond the control of the claims administrator require an extension of time, the Claims Administrator may extend the notification period by up to 15 days. If an extension is required, the Claims Administrator will notify you in writing before the end of the initial 30-day period. The notification will include the reasons the extension is required and the date by which the Claims Administrator expects to make its determination. If the extension is required because your claim was not complete, the notice of extension will describe the required information. You will have at least 45 days following receipt of the notice to provide the requested information.

A post service claim is a claim for benefits filed after the services are received.

Hospital Benefits

Generally, hospitals submit their bills directly to the Claims Administrator. If you do receive a hospital bill, make sure it is itemized and forward it to the Claims Administrator. If you or a covered family member is admitted to Montefiore, you should not receive a bill for the admission. If you do, do not pay it. Call the Montefiore billing department and identify yourself as covered under the Associate Benefits Program.

Laboratory Benefits

If you receive a bill for a covered expense directly from Quest Laboratories, LabCorp or any hospital laboratory participating in the Empire BlueCard PPO Network (including Moses, Weiler, Wakefield, Westchester Square, The Children's Hospital at Montefiore, Montefiore New Rochelle Hospital, Montefiore Mt. Vernon Hospital), do not pay the bill. Call the provider, identify yourself as an associate enrolled in MonteCare and instruct them to send the invoice to the Claims Administrator.

Vision Benefits

If you elect a Spectera Vision Plan option, United HealthCare administers all claims. Vision care services you receive through an in-network provider generally require no claim forms.

If you receive services from an out-of-network provider, you pay the provider in full at the time of service and file a claim for reimbursement.

DMO Benefits

If you elect the DMO, Aetna administers all claims. Dental services you receive through the DMO generally require no claim forms. Your primary care dentist will handle all of the necessary paperwork.

If you use an out-of-network dentist, you must file a claim for reimbursement. Submit the completed form to Aetna and include all of the necessary documentation.

Other Benefits

Medical and dental services you receive through in-network providers generally require no claim forms. Your network provider will handle all of the necessary paperwork.

If you incur medical or dental expenses through out-of-network providers, you must file a claim to receive benefits. You should submit a claim for benefits when you or a covered family member incurs covered expenses in excess of any applicable deductible. Complete the associate portion of the form in full. Have your healthcare provider complete his or her portion too.

Attach all necessary documentation to the form:

- a description of the services and supplies provided with an itemized description of each charge
- the diagnosis and CPT 4 code, if applicable
- the date(s) of service
- the patient's name
- the provider's name, address, phone number and degree
- the provider's federal tax identification number.

Prescription Drugs

If you purchase prescription drugs at a non-participating pharmacy, you will be required to submit a claim form to receive benefits. Complete the Prescription Drug Claim Form and attach a copy of the receipt. The receipt must include the date, patient's name, prescription number, name of the prescription drug and quantity dispensed.

You should complete a *separate* claim form for each person for whom benefits are being requested. If another plan is the primary payer, a copy of the other plan's Explanation of Benefits (EOB) must accompany the claim form.

Other Important Information about Your Healthcare Benefits

Termination of Healthcare Coverage

Healthcare coverage ends on the last day of the month in which:

- The Associate Benefits Program is terminated
- You no longer meet the eligibility requirements as an active associate
- You terminate your employment
- You fail to pay any required contributions as described under Continuation Coverage (COBRA).

If a dependent no longer qualifies as an eligible family member, healthcare coverage ends:

- For your dependent children – on the last day of the calendar year
- For your spouse or domestic partner – on the last day of the calendar month.

Upon termination of coverage, you may be able to elect Continuation Coverage (COBRA) by paying the cost of coverage for a specified period of time.

General Notice of Cobra Continuation Coverage Rights

The Consolidated Omnibus Budget Reconciliation Act (COBRA) gives workers and their families who lose their health benefits the right to choose to continue group health benefits for limited periods of time under certain circumstances. This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to receive coverage.

If healthcare coverage stops as a result of:

- Layoff, leave of absence, disability or termination of employment for reasons other than gross misconduct
- Retirement before age 65 if you do not qualify for retiree medical benefits
- A reduction in your regularly scheduled hours
- Divorce or legal separation or termination of a qualified domestic partnership
- A child no longer qualifying as a family member
- Your death

... you and/or your qualified beneficiaries can individually elect to continue coverage under the Montefiore Medical, Vision and/or Dental options you had in effect at the time of the qualifying event. Depending on the type of qualifying event, your spouse or qualified domestic partner, and eligible dependent children may be qualified beneficiaries. Certain newborns, newly-adopted children and alternate recipients under Qualified Medical Child Support Orders (QMCSOs) may also be qualified beneficiaries.

You will have the opportunity to change your options and coverage during the next fall annual election period. At that time, you will receive all the materials you need to make your elections. The decisions you make during the election period will take effect the following January 1.

Notifying the COBRA Administrator of Qualifying Events

You or your family members must notify Montefiore's HR-Benefits Office in writing if healthcare coverage will stop due to any of the following events:

- you and your spouse are divorced or legally separated,
- your qualified domestic partnership terminates

or

- a child no longer qualifies as a dependent.

You must send this written notification within 60 days after the date of the event or the date coverage would stop – whichever is later.

To elect continuation coverage, you must return the COBRA Election Form to the COBRA Administrator within 60 days after:

- You receive notice of your right to continue healthcare coverage

or

- The date healthcare coverage stops, if later.

If you or a dependent initially waives COBRA continuation coverage, that individual may revoke that waiver during the 60-day COBRA election period. In that case, COBRA coverage will begin on the date you first became eligible provided you pay the required retroactive contributions on a timely basis.

Paying for COBRA Coverage

If you (or your family members) elect continuation coverage, you must pay 102% of the cost of coverage, as determined by the COBRA Administrator. If a disability occurs within the first 60 days of COBRA continuation coverage, the 18 month period for medical coverage may be extended up to 29 months as a result of the disability. The premium for the family may increase to 150% of the cost of coverage for the additional 11 months. While COBRA rates may seem high, you will be paying group premium rates, which are usually lower than individual rates.

You have 45 days after you elect COBRA coverage to pay the premium for the period beginning on the date COBRA coverage begins until the end of the month in which you return the COBRA election form. Claims under COBRA coverage will not be processed for this initial period until payment is received by the COBRA Administrator. After the initial payment, you must pay your monthly COBRA premium on the first day of the month. If not paid within 30 days of the date payment is due, coverage will automatically terminate without further notice. Claims under COBRA coverage will not be processed for any period until full payment is received by the COBRA Administrator.

Duration of COBRA Coverage

The following table shows the longest period of time coverage can be continued.

If you are:	And lose healthcare coverage due to one of the qualifying events shown below:	You can choose continuation of healthcare coverage for up to:
an MMC associate	<ul style="list-style-type: none"> layoff, leave of absence (including military leave), or termination of employment (for reasons other than your gross misconduct) a reduction in your regularly scheduled hours 	18 months
	<ul style="list-style-type: none"> disability (at the time of termination of coverage or within the first 60 days of continuation coverage) 	29 months
a covered spouse or qualified domestic partner of an MMC associate	<ul style="list-style-type: none"> your spouse or domestic partner is on layoff, leave of absence, or terminates employment (for reasons other than gross misconduct) a reduction in your spouse or domestic partner's regularly scheduled hours 	18 months
	<ul style="list-style-type: none"> your spouse or domestic partner is disabled at termination of employment or within the first 60 days of continuation coverage 	29 months
	<ul style="list-style-type: none"> the death of your spouse or domestic partner your spouse or domestic partner is disabled divorce, legal separation, annulment or termination of a qualified domestic partnership 	36 months
a covered dependent child of an MMC associate	<ul style="list-style-type: none"> your parent is on layoff, leave of absence or terminates employment (for reasons other than gross misconduct) a reduction in your parent's regularly scheduled hours 	18 months
	<ul style="list-style-type: none"> your parent is disabled at termination of employment or within the first 60 days of continuation coverage 	29 months
	<ul style="list-style-type: none"> the death of your parent your parents' divorce, legal separation, annulment or termination of a qualified domestic partnership you no longer qualify as a dependent for medical and dental coverage 	36 months
Note: In no case can COBRA coverage continue for more than 36 months, even if you experience multiple qualifying events.		

When the continuation period ends, healthcare benefits stop.

Continuation of healthcare coverage may be cut short if:

- You or your family members do not make all the required contributions on a timely basis
 - You or your family members become covered under another group plan, unless that plan contains a provision that restricts the payment of benefits for a *pre-existing condition*
- or
- Montefiore terminates all health plans.

Continuation of your Medical coverage will also stop if you or your family members become entitled to Medicare (coverage could continue for those individuals not eligible for Medicare for up to 36 months from the original qualifying event, provided those family members otherwise remain eligible).

If You Have Questions

For more information about your rights and obligations under the Plans and under federal law, you should contact the COBRA Administrator who is responsible for administering COBRA continuation coverage. The COBRA Administrator is:

Keep Your Program Informed of Address Changes

To protect your family's rights, you must notify the COBRA Administrator in writing of any changes in the addresses of family members. You should also keep a copy of any notices you send to the COBRA Administrator for your records.

Health Insurance Portability and Accountability Act of 1996 (HIPAA)

This overview of HIPAA is intended to help you understand your rights and protection of personal information related to your health. Key HIPAA provisions include:

- **Pre-existing Condition Limitations**
 - A pre-existing condition is one for which medical advice; diagnosis, care, or treatment was recommended or received during the 6-month period prior to an individual's enrollment date (the first day of health coverage or the first day of any waiting period for coverage, whichever is earlier).
 - Group health plans and issuers may not exclude an individual's pre-existing medical condition from coverage for more than 12 months (18 months for late enrollees) after an individual's enrollment date.
 - Under HIPAA, a new employer's plan must give individuals credit for the length of time they had prior continuous health coverage, without a break in coverage of 63 days or more, reducing or eliminating the 12-month exclusion period (18 months for late enrollees)
- **Certificate of Creditable Coverage** – You can use a certificate of creditable coverage to eliminate or reduce any pre-existing condition limitation period under another group healthcare plan. You can request a certificate of creditable coverage:
 - when you lose health coverage
 - when you become entitled to elect COBRA continuation coverage
 - when your COBRA continuation coverage ends
 - at any time before losing healthcare coverage

or

 - up to 24 months after losing healthcare coverage.

- **Prohibit Discrimination Based on Health Status** – You or your family members may not be excluded from coverage, denied benefits, or charged more for coverage offered by a plan or issuer, based on health status-related factors
- **Provide Special Enrollment Rights** – You may request a special health plan enrollment under the following circumstances:
 - Within 30 days of the date:
 - you or a family member loses other group health plan coverage (such as a spouse's plan)
 - you acquire a new family member through marriage, establishment of domestic partnership, birth, adoption or legal guardianship
 - Within 60 days of the date you or a family member:
 - are no longer eligible for coverage under the Children's Health Insurance Program (CHIP) or Medicaid
 - becomes eligible for premium assistance under the State's Children's Health Insurance Program (CHIP) or Medicaid.
- **Limits on Identifiable Health Information**
 - *Limits on Use of Personal Medical Information* – The privacy rule sets limits on how covered providers (i.e., health plans, pharmacies, hospitals, clinics, nursing homes and other direct-care providers) may use your identifiable health information. These limits do not restrict the ability of healthcare professionals to share any medical information needed for treatment. They do restrict its use for purposes not related to healthcare.

 Covered providers may use or share only the minimum amount of protected information needed for a particular purpose. You have to sign a specific authorization before your medical information can be released to a life insurer, a bank, a marketing firm or another outside business for purposes not related to your healthcare. Covered providers must first obtain your specific authorization before disclosing your medical information for marketing.
 - *Access To Medical Records* – HIPAA gives you the ability to review and obtain copies of your medical records. You may also request corrections if you have identified any errors. Covered providers generally should provide access to your records within 30 days of your request and may charge for the cost of copying and sending the records to you.
 - *Notice of Privacy Practices* – Covered providers will provide you with a HIPAA notice advising you of your rights. You may be asked to sign, initial or otherwise acknowledge that you have received this notice. You may also ask to restrict the use or disclosure of your information beyond the practices included in the notice, but the covered providers would not have to agree to the changes.
 - *Confidential communications* – Under the privacy rule, you can request that your doctors, health plans and other covered providers take reasonable steps to ensure that their communications with you are confidential. For example, you could ask your doctor to call you at work rather than home, and the doctor's office should comply with that request if it can be reasonably accommodated.

- **Stronger State Laws** – The federal privacy standards do not affect state laws that provide additional privacy protections for patients. The confidentiality protections are cumulative; any state law providing additional protections would continue to apply. When a state law requires a certain disclosure – such as reporting an infectious disease outbreak to the public health authorities – the federal privacy regulations would not preempt the state law.
- **Complaints** – You may file a formal complaint regarding Montefiore Medical Center privacy practices to:

Health Plan Privacy Officer
 HR – Benefits Office
 Montefiore Medical Center
 111 East 210th Street
 Bronx, NY 10467-2490
 Telephone: **914.378.6530**

Complaints may also be made in writing to the Secretary of the U.S. Department of Health and Human Services Office for Civil Rights (OCR), which is charged with investigating complaints and enforcing the privacy regulation.

- **For More Information** – If you have questions about your HIPAA rights, you may contact your state insurance department or the U.S. Department of Labor, Employee Benefits Security Administration (EBSA) toll-free at **866.444.3272**. You can find additional HIPAA information on the Internet at www.hhs.gov/ocr/hipaa.

Genetic Information Non-discrimination Act of 2008 (GINA)

The Genetic Information Nondiscrimination Act prohibits discrimination in health coverage and employment based on genetic information. GINA, together with provisions of the Health Insurance Portability and Accountability Act (HIPAA), generally prohibits health insurers or health plan administrators from requesting or requiring genetic information of an individual or an individual's family members, or using this information for decisions regarding coverage, rates, or preexisting conditions. GINA also prohibits employers from using genetic information for hiring, firing, or promotion decisions, and for any decisions regarding terms of employment.

Surcharge

New York State has imposed an 8.18% surcharge on certain medical expenses. Montefiore has made arrangements to pay this surcharge directly to the State. If you receive a bill that itemizes the surcharge, do not pay this charge. Notify the provider that Montefiore participates in the New York State Department of Health Public Goods Pool.

It is important for you not to make this payment since Montefiore has already made this payment for you. The Claims Administrator will not reimburse you for this charge. If you have paid this surcharge, you should contact the provider for a refund. You can ask the Claims Administrator to send a letter to the provider confirming that the Claims Administrator has paid the surcharge to the State.

Subrogation

This provision applies if you and/or your covered family members become ill or are injured as a result of the intentional action or negligence of a third party or any illness or injury for which you and/or your dependents are eligible to receive reimbursement from a third party. In that case, you must sign an agreement known as a Subrogation Agreement, to reimburse the Montefiore Associate Benefits Program from whatever moneys are recovered from the third party (whether an individual or insurance company is liable) as a result of a court judgment, settlement or otherwise. Here is an example of how subrogation works.

If you were hurt as a result of another person's negligence, the individual – or his or her insurance company – might compensate you for your injury. In that case, you would be required to repay any amounts the Plan had advanced to you and/or your covered family members for medical and/or dental expenses resulting from such illness or injuries. The repayment must equal the benefits you received from the Plan less reasonable expenses to make the recovery.

You must take whatever actions are required by the Plan Administrator and/or the Subrogation Agreement to enforce the subrogation right of the plan. Failure to cooperate in the enforcement of this Agreement, including the failure to repay the Plan from the judgment or settlement proceeds, may lead to the suspension of any further benefits you and any of your family members may receive under the plan.

Qualified Medical Child Support Orders (QMCSO)

Federal law requires group health plans to honor qualified medical child support orders (QMCSOs).

In general, a QMCSO is a state order or directive requiring a parent to provide medical support to a child in case of separation or divorce and under certain statutory conditions. Upon receipt of a medical child support order (MCSO), the Plan Administrator will notify you and the affected child that it is reviewing the order to determine if it is qualified and the procedures used to determine whether the order is qualified. If the Plan Administrator determines that the order is qualified, the Associate Medical option is required to pay benefits directly to the child, the child's custodial parent or legal guardian, according to the order. However, the child must be enrolled and the associate must be making any required contributions. For further information, contact Montefiore's HR-Benefits Office.

Occupational Health Services (OHS)

You also have access to Occupational Health Services (OHS). Montefiore's Occupational Health Services Department offers the following services:

- Free annual assessments including tuberculosis and diabetes screening (A1C testing – fasting is not required) and influenza vaccinations
- Nutrition Counseling Service – One-on-one, confidential counseling to help you manage your weight, lower your health risks, enhance your life and eat wisely
- Smoking Cessation Programs – Provides information on nicotine replacement therapy and offers a no-cost nicotine replacement therapy starter kit through Montefiore's outpatient pharmacies
- Montefiore provides a lactation-friendly environment and supports mothers who continue to breastfeed after returning to work from maternity leave. Associate Lactation Suites are located at the Moses, Wakefield and Einstein Campuses.

HealthCare Employee Assistance Program

The HealthCare EAP provides assistance to you or members of your immediate family if you have a personal problem, such as marital, parent-child, legal or financial difficulties, stress, depression, anxiety, grief reactions, substance abuse, or any other emotional or behavioral problem. Assistance is provided on a strictly confidential basis, through a staff of experienced counselors from various disciplines. These include sociologists, substance abuse counselors, social workers, and a session psychiatrist.

The HealthCare EAP is provided at no cost to you through ESI/Longview Associates **800.666.5EAP (5327)** www.MyHealthCareEAP.com. .

Care Guidance

The Care Guidance Program provides you with a Personal Health Nurse (PHN) who will work one-on-one with you for as long and as often as you need. This is a voluntary program that can provide support and resources to help you, or a member of your family, manage your or their health. Montefiore provides this program at no cost to you. All services are completely confidential.

Working as a team, your physician and your PHN will set health goals, create an action plan and identify ways to help you maintain healthy habits. Your PHN's goal is to efficiently guide you through the different aspects of the healthcare system, making your care manageable and more successful.

Your PHN will help you:

- Find a physician or other healthcare provider; schedule appointments and navigate other healthcare services
- Communicate with care providers and coordinate healthcare related services from multiple doctors and facilities
- Understand your medications. Your PHN may arrange a consultation with the Care Guidance Program's pharmacist to ensure that you are being treated with the most effective medication regimen.
- Prepare a Living Will, identify a Healthcare Proxy and discuss these important Life Planning decisions with family members and healthcare providers.

Voluntary Pre-Certification

You are requested to voluntarily pre-certify Care Guidance if you or a covered family member is admitted to the hospital for any reason (e.g. medical, surgical, behavioral health, substance abuse, maternity, skilled nursing and rehabilitation services). This will allow Care Guidance to work with you at critical points in your care, help answer questions and help you follow your doctor's course of treatment.

You should notify Care Guidance:

- 14 days before a non-emergency inpatient admission
- Within 48 hours or as soon as reasonably possible after an emergency admission.

Flexible Spending Accounts (FSA)

Flexible Spending Accounts allow you to pay for certain eligible expenses with dollars that are *never taxed*. They also expand your benefit program and strengthen the level of your coverages by reimbursing you for expenses which may not otherwise be covered under other plans.

There are two accounts – one for healthcare expenses and one for dependent care expenses. The FSA, funded with before-tax contributions deducted from your pay, lower your taxable income by allowing you to pay *less*:

- Federal income tax
 - Social Security tax (on your earnings below a certain level)
 - Medicare tax
- and*
- State and local income taxes in many states, including New York and Connecticut (but not in New Jersey).

Glossary of Key Terms

Annual Base Salary – Your annual base rate of pay including any tax-deferred contributions that you make to a qualified or non-qualified plan sponsored by Montefiore, for example, the Personal Voluntary Annuity (PVA) Plan, but excluding differentials, bonuses, overtime pay and any other forms of extra compensation.

Before-tax Contributions – The amount(s) you elect to have deposited into your Healthcare and/or your Dependent Care Accounts. These contributions come out of your pay before it is taxed, thereby reducing your taxable income.

Eligible Dependent Care Expenses – Those expenses you incur to provide day care to your eligible dependents so that you and, if you are married, your spouse can work or look for work.

Eligible Dependents

- Healthcare Account – Your spouse and any individuals you claim as a dependent on your federal income tax return – as well as children to age 26, regardless of whether they are dependent upon you – and whether or not they are enrolled in Montefiore's medical or dental plans
- Dependent Care Account – Your children prior to their 13th birthday and/or physically or mentally incapacitated individuals age 13 and older whom you claim as dependents for income tax purposes.

Eligible Healthcare Expenses – Those expenses considered tax deductible by the Internal Revenue Service (IRS).

WageWorks – The Claims Administrator for Flexible Spending Accounts.

Your Flexible Spending Accounts

Two Flexible Spending Accounts are available to you.

- The Healthcare Account is used to pay you for unreimbursed healthcare expenses for you and your eligible family members – i.e., those expenses that you pay out of your own pocket. These may include deductibles, coinsurance, copayments, amounts above reasonable and customary limits, and other unreimbursed medical, dental, vision, and hearing expenses. You cannot use this account to pay for health insurance premiums.
- The Dependent Care Account is designed to help address work and family issues. This account is used to reimburse you for eligible dependent care expenses if that care is necessary so that you can work. If you are married, the care must also allow your spouse to work or attend school on a full-time basis.

Only expenses incurred while you are making contributions to the FSA are eligible for reimbursement.

How Flexible Spending Accounts Save You Money

Assuming the lowest federal income tax bracket, you will save *at least* 22.65% in taxes on your contributions to an FSA. This is because your contributions are not subject to the 7.65% Social Security/Medicare tax or federal income tax of 15% (or more). The higher your federal income tax bracket, the more you will save in taxes. Also, in many states, you will save on state and local income taxes. The following table gives some examples.

	15% TAX BRACKET	25% TAX BRACKET	28% TAX BRACKET
If You Contribute This Much In One Calendar Year	You Save This Amount in Taxes ¹ (assumes savings of 7.65% ² in SS/Medicare taxes + 15% in federal income taxes)	You Save This Amount in Taxes ¹ (assumes savings of 7.65% ² in SS/Medicare taxes + 25% in federal income taxes)	You Save This Amount in Taxes ¹ (assumes savings of 7.65% ² in SS/Medicare taxes + 28% in federal income taxes)
\$130	\$29.45	\$42.45	\$46.35
\$500	\$113.25	\$163.25	\$178.25
\$1,000	\$226.50	\$326.50	\$356.50
\$1,500	\$339.75	\$489.75	\$534.75
\$2,000	\$453.00	\$653.00	\$713.00
\$2,500	\$816.25	\$891.25	\$1,016.25
\$3,000	\$679.50	\$979.50	\$1,069.50
\$4,000	\$906.00	\$1,306.00	\$1,426.00
\$5,000	\$1,132.50	\$1,632.50	\$1,782.50

¹ Not included are state or local income taxes, if any.

² The Social Security tax rate drops to 1.45% for earnings over the Social Security wage base, which for 2015 is \$118,500.

Your Contributions

When you enroll, you decide how much, if anything, to contribute to your Flexible Spending Accounts. You will need to make a separate election for each account.

- **Healthcare Account:** You can make an annual contribution from \$130 to \$2,550.
- **Dependent Care Account:** You can make an annual contribution from \$130 to \$5,000 (\$2,500 if you and your spouse file separate tax returns). If you or your spouse has an annual taxable income of less than \$5,000, your contribution would be limited to the lesser of the two incomes. The IRS imposes a \$5,000 annual maximum limit for combined family contributions to dependent care accounts.

If your spouse is either a full-time student or incapable of self-care, your spouse will be considered to have an annual income of \$3,000 if you have dependent care expenses for one child, or \$6,000 if you have expenses for two children.

Special Rules to Consider

The following rules are important to keep in mind so that you obtain the maximum possible value from Flexible Spending Accounts.

- Once you establish a Healthcare Account, it cannot be canceled or reduced during the year.
- Once your contributions begin, the government will not allow them to be changed during the year unless you experience a qualified change in status. Whatever amount you select for either or both accounts must continue until year-end. Transfer of money between the two accounts is *not* permitted.
- To reduce the possibility of forfeitures, IRS rules permit you to apply eligible expenses incurred through March 15th against any remaining balance in your prior year's Healthcare or Dependent Care Account.
- If you are newly eligible or have a qualified change in status and enroll in a Healthcare and/or Dependent Care Account during the year, only expenses incurred while you are making contributions to the accounts are eligible for reimbursement. You cannot obtain reimbursement for expenses incurred before your account contributions begin or after they stop.
- The IRS requires that any amounts remaining in your account(s) after April 30th of the following year must be forfeited. In return for a significant tax advantage when you use your FSA, the government prohibits Montefiore from returning unused FSA contributions. However, there is a four-month "grace period" that gives you until April 30th of the following year to submit claims for expenses up to your account balance. Keep in mind, however, that even with a small forfeiture you may still come out ahead using the FSA because of the tax savings.

For example, let's assume you estimate that your out-of-pocket healthcare expenses will total \$900 during the year. However, the total of your *actual* out-of-pocket expenses reach only \$875. The \$25 difference ($\$900 - \$875 = \$25$) is *forfeited*. To the extent your tax savings are greater than the amount you forfeit, you can still come out ahead.

Discrimination Testing

FSA tax-favored benefits are available only if certain criteria and nondiscrimination tests are met each year. A plan may be deemed discriminatory if qualified benefits are disproportionately received by highly compensated/key participants. If a plan is found to be discriminatory, the amount contributed by highly compensated/key participants is no longer tax-qualified under the plan and must be included in taxable gross income.

Eligible Healthcare Expenses

You can be reimbursed for those healthcare expenses considered tax deductible by the IRS. The IRS does not allow a tax deduction on your federal tax return if you have been reimbursed from your account for the same expenses. Also, you cannot be reimbursed for any expenses that are paid for by any other health plan (including Montefiore's), which covers you or your family.

Subject to IRS rules, eligible healthcare expenses may include:

Eligible Dependent Care Expenses

Eligible dependent care expenses are those necessary for you to work or look for work. (If you are married, your spouse must also work outside the home, be registered as a full-time student or mentally incapacitated.) You can be reimbursed for care provided for a qualified dependent – i.e., anyone you claim as a dependent on your tax return, including children prior to their 13th birthday and/or physically or mentally incapacitated individuals age 13 and older whom you claim as dependents for federal income tax purposes.

You can be reimbursed for those dependent care expenses considered tax deductible by the IRS. The IRS does not allow a tax deduction on your federal income tax return if you have been reimbursed from your account for the same expenses.

Subject to IRS rules, eligible dependent care expenses include:

- Before-school or after-school care for children under age 13
- Day care services provided in your home
- Day care services provided through an outside source, such as an individual, summer day camp or a day care center (if the center provides day care services for more than six persons, it must comply with all state and local laws).
- Pre-school, Nursery school or similar programs for children below the level of kindergarten.

Dependent Care Expenses Not Eligible

Dependent care expenses *not* eligible for reimbursement include:

- Care provided by someone you claim as a dependent on your federal income tax return, or your child under age 19
- Household services
- Institutional care, such as nursing home services for an elderly parent or grandparent
- Overnight summer camp
- Transportation expenses to get to a day care provider outside of your home or for bringing a provider to your home
- Weekend or “evening out” babysitting.
- In addition, dependent care expenses you prepay in one calendar year for services rendered in the next calendar year are *not* eligible for reimbursement through the Dependent Care Account – even if the expense would have been eligible had it been provided and paid for in the same calendar year.

IRS Publication 503 contains a detailed explanation of eligible and ineligible dependent care expenses. It is available free of charge by calling the IRS at **800.829.3676**. It is also available on the Internet at www.irs.gov/pub/irs-pdf/p503.pdf.

Dependent Care Account Versus the Federal Tax Credit

You are eligible for a credit on your federal income taxes for dependent care expenses similar to those that can be reimbursed through the Dependent Care Account. You cannot use both methods to gain a “double” tax advantage on the same expenses. You can use one or the other; or apply the tax credit to some expenses and use the Dependent Care Account for others. However, maximum expenses for the tax credit calculation (\$3,000 for one dependent, \$6,000 for two or more dependents beginning in 2003) are reduced dollar for dollar by reimbursements made through the Dependent Care Account.

For example, if you have two children, spend \$6,000 a year for childcare and are reimbursed \$2,600 from the Dependent Care Account, the maximum tax credit available to you is \$3,400 (\$6,000 maximum tax credit *minus* \$2,600 received from the account). If you received \$5,000 from the account, your maximum tax credit would be \$1,000.

In some situations, using the Dependent Care Account will produce a greater advantage. In others, the tax credit will be more valuable. Your particular situation will determine which is better for you and you should do a direct comparison.

Annual Limit

The IRS imposes a \$5,000 annual maximum, which applies to all Dependent Care Accounts combined. For example, the \$5,000 annual maximum would apply if:

- You or your spouse each elect a Dependent Care Account (whether or not you both work for the same employer)
- You change jobs during the year and establish a Dependent Care Account with both employers
- You and your spouse (if married) file a joint tax return
- Your earned income, or if you are married, the lesser of your earned income or that of your spouse, is at least \$5,000.

Dependent Care Reporting Requirements

It is important to note that to use the tax credit or the Dependent Care Account you *must report* the name, address and taxpayer identification number of your dependent care provider on Form 2441 which is submitted as part of your individual tax return. If the organization providing care is exempt from paying federal taxes, you are still required to report their name and address.

Claims Reimbursement

WageWorks is the Claims Administrator for Healthcare and Dependent Care Flexible Spending Accounts. WageWorks (www.wageworks.com) provides a variety of ways to access the funds in your accounts, such as:

- WageWorks Health Care Card – The Healthcare Card may be used to pay for eligible healthcare expenses, such as prescription co-pays or co-pays for visits to your doctor. Simply present your Card to the provider at the time of service. The Healthcare Card will carry your current year account balance.
 - When you use your WageWorks Healthcare Card with an automatic payment machine it is considered a credit card transaction – no PIN number is required. Although it's called a debit card – because funds are deducted directly from your Healthcare Account – you must select the credit button when you swipe your card.
 - Your Healthcare Card will only be accepted at merchants who have a special system designed to work with the Card. The Information Inventory Approval System (IIAS) automatically verifies the eligibility of your purchase at checkout. However, in some situations, for example when you use the Card at a doctor's office or hospital, you may still be required to verify card transactions and submit a receipt along with a Card Use Verification Form to WageWorks. It is extremely important that you save all receipts as the IRS requires 100% verification of all Healthcare Card transactions.
- Pay My Provider – You can generate automatic online payments to your providers with checks drawn directly from your accounts.
- Pay Me Back Claim Forms – Reimburse yourself via check or direct deposit using a Pay Me Back Claim Form. You can fax it to a toll-free number (**877.353.9236**), or mail it in to:

Claims Administrator
PO Box 14053
Lexington, KY 40511

Be sure to attach copies of all bills, Explanations of Benefits (EOBs), itemized vendor receipts and/or statements to the claim form. Canceled checks and other non-itemized receipts alone will not be accepted.

- Healthcare attachments must include the name of the patient, the date the service was rendered, the name of the service provider, the type of service(s) and the amount charged.
- Dependent Care attachments must include the name, address and taxpayer identification number of your dependent care provider, the name of the eligible dependent, the date the services were rendered, the type of service(s) and the amount charged.

If you request reimbursement of an amount greater than your:

- Healthcare Account balance – and your claim is accepted – it will be paid in full – up to the amount you have agreed to contribute for the year less amounts already paid to you during the year.
- Dependent Care Account balance – and your claim is accepted – you will be paid only up to the amount in your account at that time. However, eligible expenses above the amount in your account will be paid upon receipt of additional contributions up to the maximum amount you elected prior to the beginning of the Plan year provided you file another claim.

If you have a change in status and increase contributions to an existing account, expenses incurred prior to the status change that exceed the original amount of your election are not eligible for reimbursement.

You should retain any receipts associated with eligible healthcare or dependent care expenses, as WageWorks may periodically ask for documentation of expenses to comply with IRS audit requirements.

If you submit claims to your FSA for a qualified same sex domestic partner, WageWorks may require you to submit a copy of your federal income tax return. If the individual does not qualify as your dependent for federal income tax purposes, expenses are not eligible for reimbursement through an FSA.

Other Important Information

If You Leave Montefiore

Healthcare Account – COBRA Continuation

If you leave Montefiore, you can continue to submit claims for expenses incurred through the date you terminate (up to the amount you have agreed to contribute for that year, less amounts already paid to you).

You can also elect to continue contributions to your Healthcare Account on an *after-tax* basis. If you do, you can continue to submit claims through that account for eligible expenses incurred from the date you terminate until the end of that calendar year.

Any unused balance remaining in your account after all claims have been submitted will be forfeited.

Dependent Care Account

If you leave Montefiore, all contributions to your Dependent Care Account stop. However, you can continue to submit claims for expenses incurred through the date you terminate – up to the balance remaining in your Dependent Care Account.

In Case of Your Death

Healthcare Account

If you die with a Healthcare Account balance, your surviving spouse or qualified domestic partner – or the administrator of your estate – can continue to submit claims for expenses incurred through the date of your death – up to the amount you have agreed to contribute for that year, less any amounts already paid to you.

Your spouse or qualified domestic partner may also elect to continue contributions to your Healthcare Account on an after-tax basis and submit reimbursement requests for eligible expenses incurred that calendar year.

Dependent Care Account

If you die with a Dependent Care Account balance, your surviving spouse or qualified domestic partner or the administrator of your estate can continue to submit claims for expenses incurred through the date of your death – up to the amount you contributed prior to your death, less any amounts already paid to you.

Glossary of Key Terms

Annual Base Salary – Your annual base rate of pay including any tax-deferred contributions you make to a qualified or non-qualified plan sponsored by Montefiore, for example, the Personal Voluntary Annuity (PVA) Plan, but excluding differentials, bonuses, overtime pay and any other forms of extra compensation.

Beneficiary – The person or persons you name to receive your Life Insurance benefits. You may name anyone as your beneficiary and can change your choice at any time and for any reason. Your primary beneficiary is the individual who will receive your Life Insurance benefit if you die. Your contingent beneficiary receives your Life Insurance benefit in the event your primary beneficiary dies before receiving benefits. If you name more than one primary or contingent beneficiary, they will share the benefit equally, unless you designate otherwise.

Imputed Income – The IRS assigns a value to the premium of any Montefiore-provided Basic Life Insurance coverage over \$50,000. This premium value (determined by IRS tables) is called imputed income and added to your taxable income on your W-2 Form.

Total Disability – An illness, injury or pregnancy lasting at least six months that prevents you from performing the material duties of any job for which you are or could reasonably become qualified based on your training, education or experience.

Your Life Insurance Options

You select the level of life insurance that's most appropriate for your needs from the following options:

- Basic Life Insurance
- and*
- Supplemental Life Insurance.

Basic Life Insurance

You can elect:

- 1 times your annual base salary, up to a maximum of \$250,000
- \$50,000 (Opt Down Only)
- No Coverage.

Montefiore provides Basic Life Insurance equal to one times your annual base salary up to \$250,000 – at no cost to you after you complete one year at Montefiore. If your annual base salary is greater than \$50,000, you can opt down to \$50,000 to avoid imputed income.

Imputed Income

As required by the IRS, the premium value of any Montefiore-provided Basic Life Insurance coverage over \$50,000 is subject to imputed income. This value – determined by IRS tables based on your age and the amount of coverage over \$50,000 – is added to your taxable income on your W-2 Form.

Montefiore is required by federal law to withhold FICA taxes on this imputed income each pay period. The overall tax impact is relatively small compared to the additional protection your life insurance coverage provides.

Supplemental Life Insurance

In addition to your Basic Life Insurance, you can elect Supplemental Life Insurance coverage from one to seven times your annual base salary, up to maximum of \$750,000 or elect no coverage. The minimum benefit allowed under this coverage is \$20,000.

Supplemental Life Insurance premiums are based on your age, whether you are a smoker or non-smoker and the amount of coverage you elect. A non-smoker is someone who has not smoked cigarettes or cigars; or used pipe tobacco or chewing tobacco during the 12 months prior to electing coverage.

Evidence of Insurability (EOI)

In some cases, Evidence of Insurability (EOI) must be submitted to the insurance company before coverage can take effect.

- Evidence of insurability will be required if you make any of the following changes:
 - *Basic Life Insurance:*
 - If you previously elected \$50k coverage and elect one times your annual base salary
 - *Supplemental Life Insurance:*
 - If you previously elected one or two times your annual base salary and wish to increase your coverage by any multiple.
 - You previously waived coverage and wish to elect Supplemental Life Insurance during an Annual Benefits Election Period.
 - Your current Supplemental Life Insurance is equal to or greater than three times your annual base salary and you wish to increase your coverage.
- Evidence of insurability is **not** required in the following situations:
 - You previously waived coverage and wish to elect Basic Life Insurance during an Annual Benefits Election Period.
 - Your coverage increases because your salary or the maximum increases.

If your election requires EOI, coverage and contributions won't begin until you receive written approval from the insurance company.

If Your Annual Base Salary Changes

Your Life Insurance will change (subject to certain maximums) on the day your annual base salary changes – if you are actively at work on that day. Otherwise, any change in Life Insurance will become effective on the day you return to active employment and work your regularly scheduled hours.

Payment of Benefits

The full amount of your Life Insurance is paid to your named beneficiary if you die from any cause. Payment can be made in a lump sum or installments – whatever arrangement your beneficiary makes with the insurance company.

If you do not have a designated beneficiary at the time of your death, or if your beneficiary dies before you, your insurance will be paid in a lump sum to the survivors listed below, subject to approval by the State Insurance Department of New York, in the following order of priority:

1. Spouse or domestic partner, if any, otherwise
2. Divided equally among your child(ren), if any, otherwise
3. Divided equally between your parent(s), if any, otherwise
4. Divided equally between your sibling(s), if any, otherwise
5. Your estate, if you have no surviving family members, as indicated above.

Accelerated Benefit

Your Life Insurance coverage includes an “accelerated benefit.” This feature permits you to request payment of up to 75% of your Basic *and/or* Supplemental Life Insurance (\$187,500 maximum payment for each line of coverage; \$350,000 combined) if you have a terminal illness with a life expectancy of 12 months or less. The benefit paid to your beneficiary upon your death will be reduced by the full amount of the accelerated benefit you receive.

For example, assume you have \$100,000 of Life Insurance and request and receive an accelerated benefit of \$75,000. Following your death, your beneficiary will receive \$25,000.

The accelerated benefit you receive is currently not subject to tax.

If You Become Disabled

If you are an active associate and become **totally disabled** before age 70, the full amount of your Life Insurance will continue in effect at no cost to you for as long as you remain disabled – up to the date you reach age 70 – provided you submit periodic proof of your continuing disability to the insurance company. The insurance company has the right to request that a physician of their choice examine you. When Life Insurance stops, you can convert coverage by applying for an individual policy and paying the required premium.

If You Work Past Age 70

If you work past age 70, your Life Insurance will continue – but your coverage amount will gradually reduce as shown in the following table. Each change in coverage will take place on the January 1 coinciding with or next following the date you reach the ages shown below.

Age	Percentage of Age 69 Coverage That Continues
70	90%
71	81%
72	73%
73	66%
74	60%
75 – 79	39%
80 and older	27%

Claiming Benefits

In case of your death, your beneficiary should contact Montefiore's HR-Benefits Office for help in completing the appropriate forms. All claims must be submitted as soon as reasonably possible, but no later than two years after the insured individual's death. No benefits can be paid until the forms and necessary proof of loss have been submitted to the insurance company. The insurance company will make all decisions with respect to the payment of benefits.

Other Important Information

Termination of Coverage

Life Insurance coverage stops on the date:

- The group policy is terminated
- You are no longer eligible
- You fail to make any required contributions
- You leave Montefiore for any reason, except total disability.

Extension of Coverage

Your Life Insurance coverage continues under the following circumstances:

- While you are receiving your full salary from Montefiore including sick pay (any required contributions will be deducted from your pay)
- When you are unable to work because of a sickness, injury or pregnancy while you are kept on Montefiore's payroll (any required contributions will be deducted from your pay; if your pay is insufficient, you must arrange to prepay any required contributions)
- During the first month of an approved, unpaid personal leave of absence, military leave or while on temporary layoff (if the leave is longer than one month you must prepay the full premium from the first day of the leave)
- If you are eligible for and take an approved sabbatical, Life Insurance coverage will continue for up to one year if:
 - you continue to have the required contributions deducted from your pay while you are on sabbatical
 - you send in a monthly payment on an after-tax basis
 - or*
 - you prepay the required contributions (before-tax).

If you do not elect to continue Life Insurance coverage while on sabbatical and return to Montefiore, you will be required to provide satisfactory evidence of insurability at your own expense before Life Insurance coverage will begin again.

Conversion Privilege

If Life Insurance coverage ends, you can convert all or part of it to an individual group term life insurance policy without having to provide EOI to the insurance company. To convert your coverage, your completed conversion application and payment for the first quarter's premiums must be mailed to the insurance company and postmarked within 31 days after coverage ends.

If you die during the 31-day conversion period – whether or not you had applied for an individual policy – your beneficiary will receive the amount of Life Insurance you had the right to convert if you were otherwise eligible.

If your Life Insurance is reduced – either due to your age or your retirement – you can convert the difference between the full amount of your Life Insurance and the amount in effect after the reduction to an individual policy.

Assignment of Life Insurance

Any assignment of your Life Insurance must be reviewed by the insurance carrier prior to approval. You cannot later revoke the assignment. The person to whom you assign your insurance has the absolute and continuing right to name future beneficiaries. However, the person you named as your beneficiary before assigning the policy will continue as beneficiary unless the person to whom you assign the policy chooses someone else.

You cannot assign ownership of your Life Insurance to provide collateral for a loan.

In case of your accidental death, AD&D benefits are paid in addition to your Life Insurance benefits.

Glossary of Key Terms

Annual Base Salary – Your annual base rate of pay including any tax-deferred contributions you make to a qualified or non-qualified plan sponsored by Montefiore, for example, the Personal Voluntary Annuity (PVA) Plan, but excluding differentials, bonuses, overtime pay and any other forms of extra compensation.

Beneficiary – The person or persons who you name to receive your Accidental Death and Dismemberment (AD&D) benefits. You may name anyone as your beneficiary and can change your choice at any time and for any reason. Your primary beneficiary is the individual who will receive your AD&D benefit if you die. Your contingent beneficiary receives your AD&D benefit in the event your primary beneficiary dies before receiving benefits. If you name more than one primary or contingent beneficiary, they will share the benefit equally, unless you designate otherwise.

Covered Accident – A covered loss that occurs as a result of a sudden, unexpected, specific and abrupt event at an identifiable time and place.

Total Disability – An illness, injury or pregnancy lasting at least six months that prevents you from performing the material duties of any job for which you are or could reasonably become qualified based on your training, education or experience.

Your AD&D Options

You select the level of Accidental Death & Dismemberment (AD&D) Insurance that's most appropriate for your needs from the following options:

- Basic AD&D Insurance

- Optional AD&D Insurance.

Basic AD&D Insurance

You can elect:

- 1 times salary, up to a maximum of \$250,000
- or*
- No Coverage.

Montefiore provides Basic AD&D Insurance equal to one times your annual base salary up to \$250,000 – at no cost to you after you complete one year at Montefiore.

Optional AD&D Insurance

In addition to your Basic AD&D Insurance, you can elect Optional AD&D Insurance coverage from one to seven times your annual base salary (subject to certain maximums) *or* elect no coverage. Optional AD&D Insurance is *only* available if you elect Basic AD&D Insurance.

Optional AD&D Insurance	Your Basic (1 times salary) and Optional AD&D Insurance

2 times salary	3 times salary (\$750,000 maximum)

Dependent Life Insurance

Dependent Life Insurance offers life insurance coverage for your spouse or qualified domestic partner and eligible children. You can decline coverage if you wish – or choose up to \$20,000 of coverage for your spouse and up to \$10,000 for each of your eligible children (with certain limitations).

You pay the full cost of this coverage on an after-tax basis.

Glossary of Key Terms

Dependent Child – An unmarried dependent child of you, your spouse, or qualified domestic partner whom you can cover through December 31 of the year the child reaches age 19 – age 25, if a full-time student – or a child who is disabled prior to that age. Stepchildren, legally adopted children, and children for whom you are legal guardian are also eligible for coverage, as long as they meet the age, dependency and student requirements.

Qualified Domestic Partner – An individual of the same sex with whom you reside, provided you and that individual:

- Are registered as domestic partners in accordance with the highest form of legally recognized relationship available in your state of legal residence. Proof of marriage in a state other than the one in which the couple resides will also be accepted.
- Are unable to marry because of laws prohibiting marriage to persons of the same sex in the state of your legal residence and:
 - Are of the age of consent in your state of legal residence and competent to enter into a contract
 - Are not so closely related that marriage would otherwise be prohibited
 - Are not legally married to any other person
 - Are the sole domestic partners of each other
 - Live together, share the common necessities of life and are responsible for each other's common welfare, including financial interdependence.

You must file an "Affidavit of Domestic Partnership" with Montefiore's HR-Benefits Office and submit documentation to establish eligibility. The affidavit is available from Montefiore's HR-Benefits Office or on the Benefits Website at www.mymontebenefits.com.

Spouse – The individual to whom you are legally married according to civil or common law in your state of residence.

Your Dependent Life Insurance Options

You have two options or you can elect no coverage. Each option is a package – whether you are covering just your spouse or qualified domestic partner, or only a child – the option premium is the same. You are the beneficiary for whatever coverage you elect. If you elect coverage, you can choose:

- \$10,000 of coverage for your spouse or qualified domestic partner; \$5,000 for each of your eligible children
or
- \$20,000 of coverage for your spouse or qualified domestic partner; \$10,000 for each of your eligible children.

Your Basic Life Insurance impacts how much Dependent Life Insurance you can choose, as follows:

- Your spouse's or qualified domestic partner's coverage cannot be greater than 50% of your life insurance coverage
and
- Coverage for each child cannot exceed 33⅓% of your life insurance coverage.

For example, if you earn \$30,000 and choose Basic Life Insurance of one times annual base salary, or \$30,000 in coverage), you would be able to elect \$10,000/\$5,000 Dependent Life Insurance, but not \$20,000/\$10,000. This is because the \$20,000 coverage is more than 50% of your Basic Life Insurance coverage amount. If you waive Basic Life Insurance coverage, you are not eligible to elect Dependent Life Insurance.

Evidence of Insurability (EOI)

If you enroll your eligible family members for Dependent Life Insurance within 31 days after they *first* become eligible, Evidence of Insurability (EOI) is *not* required. You will be required to provide satisfactory evidence of your dependents' insurability to the insurance company if you:

- enroll your dependents more than 31 days after they first become eligible – even if you enroll during the fall annual election period
or
- change your election from \$10,000/\$5,000 to \$20,000/\$10,000.

This proof must be provided at your own expense. The change (electing coverage or increasing it) will not go into effect until you receive written notification from the insurance company that your coverage has been approved.

How Benefits Are Paid

In the event of the death of a covered family member, Dependent Life Insurance is paid to you in a lump sum.

Claiming Benefits

If an insured family member dies, you should contact Montefiore's HR-Benefits Office for assistance in completing the appropriate forms. No benefits can be paid until the forms and necessary proof of loss have been submitted to the insurance company.

Other Important Information

Termination of Coverage

Dependent Life Insurance coverage stops:

- On the date your Life Insurance ends for any reason
- On the date the group policy terminates
- The last day of the payroll period in which you stop your contributions.

Coverage for your	Stops at the end of the calendar	
• spouse or qualified domestic partner	month	in which they no longer qualify as eligible family members
• dependent children	year	

If You Go on a Leave of Absence or Sabbatical

If you go on a leave of absence – or if you are eligible for and take an approved sabbatical – Dependent Life Insurance coverage will continue if:

- you continue to have contributions deducted from your pay while you are on leave or sabbatical
or
- you pre-pay the required contributions.

If you do not elect to continue Dependent Life Insurance coverage while on a leave or sabbatical and return to work for Montefiore, you will be required to provide satisfactory evidence of insurability for each family member you wish to enroll before coverage will begin again.

Conversion Privilege

If Dependent Life Insurance coverage ends for any reason – except your failure to make the required contributions – your family members can convert all or part of their coverage to an individual policy without having to provide evidence of insurability to the insurance company. To convert coverage, they must apply for conversion and pay the first premium within 31 days after coverage stops.

If your dependent dies during the 31-day conversion period – whether or not you had applied for an individual policy – you will receive the amount of Dependent Life Insurance you had the right to convert.

Other Important Information

When Coverage Ends

Coverage stops for you and your family members if you cease to be an eligible associate, you discontinue your contributions or the Plan itself is terminated. Coverage for your family members also stops when they no longer meet the age and dependency requirements.

If you cease to be eligible to participate in the Plan or your employment with Montefiore ends, the Plan will cover the legal fees for those covered services that were opened and pending during the period you were enrolled in the plan. New matters may not be started after you become ineligible.

If You Go on a Leave of Absence or Sabbatical

If you go on an approved leave of absence – or if you are eligible for and take an approved sabbatical – Group Legal Services coverage will continue – if:

- you continue to have the required contributions deducted from your pay while you are on leave or sabbatical
- or*
- you prepay the required contributions.

If Your Claim Is Denied

If your claim for benefits is denied, in whole or in part, you will receive a written notice. This notice will include the following:

1. the specific reasons for the denial of your claim
2. the specific references in the Plan document that support those reasons
3. a description of the information you must provide to perfect your claim and the reasons why that information is necessary
4. a discussion of the procedure available for further review of your claim, including your right to file a civil action following an adverse benefit determination on review
5. if the denial relies on an internal rule, protocol or guideline, such rule, protocol or guideline, or a statement that it will be provided free of charge to you upon request
6. if the denial is based on a medical necessity or an experimental treatment, an explanation of the clinical or scientific reasoning for denial of the claim, or a statement that it will be provided to you free of charge upon request.

In the case of a denial of an urgent care claim, the notice also will set forth a description of the expedited review process for an urgent care claim.

Your Right To Appeal

You have the right to appeal a denial of your claim. You must submit a written appeal to the insurance company within 180 days after you receive the claim denial notice. In preparing your appeal, you shall be entitled to request and receive, free of charge, copies of any documents, records or other pertinent information associated with your claim. This pertinent information includes any information in the initial benefit determination that was considered or generated (even if not relied on) and the identity of any medical expert who was consulted (even if not relied on). Any of this information may be submitted for determination, even if it was not considered in the initial benefit determination.

The insurance company will conduct a full and fair review of your appeal and it will not give deference to the initial benefit determination. The appeal shall be heard by an appropriate individual (or individuals), who is not the person having made the initial benefit determination or a subordinate of that person. This reviewer on appeal also may consult with a medical professional, who was not consulted or a subordinate of any person consulted in the initial benefit determination.

If your appeal involves an urgent care claim, the insurance company shall notify you of the decision as soon as possible, taking into account the medical exigencies, but not later than 72 hours after receipt of your appeal. You may request an expedited appeal, which may be made either orally or in writing and allows all necessary communication between you and the administrator to take place via telephone, facsimile or other equally expeditious method.

If your appeal involves a pre-service claim, the insurance company will notify you of the decision within 30 days after receipt of your appeal.

If your appeal involves a post-service claim, the insurance company will notify you of the decision within 60 days after receipt of your appeal.

If your appeal is denied, in whole or in part, the insurance company will provide you with a notice with the following:

1. the specific reasons for the denial including the specific Plan provisions on which the denial relies
2. a statement informing you of the availability of any documents, records or other relevant information free of charge upon request
3. a description of any internal rule or protocol relied upon or a statement that any such rule or protocol will be provided free of charge upon request
4. an explanation of any voluntary appeals procedures that may be available and a statement of your right to bring a civil action
5. if the denial of an appeal is based on a medical necessity or experimental treatment, an explanation of the scientific or clinical judgment exercised or a statement that the explanation will be provided free of charge and upon request
6. the following statement: "You and your plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what might be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency."

Throughout the claims review procedure, you may have a personal representative act on your behalf.

Any failure on your part to comply with the request for information by the Plan Administrator or insurance company may result in delay or a denial of your claim.

The insurance company has the authority to make final decisions with respect to paying claims under the Medical Plan.

If you believe that you have been improperly denied a benefit from the Plan after making full use of the claims and appeals procedure, you may serve legal process on the Plan Administrator.

Plan Documents

This Summary Plan Description describes only the highlights of the plans that make up the Montefiore Associate Benefits Program and does not attempt to cover all details. These are contained in the Plan documents and/or insurance company contracts, which legally govern the Plan and which are controlling in the event of a conflict with this Summary Plan Description. These documents, as well as the annual report of each Plan's operation and each Plan's description (which are filed with the U.S. Department of Labor) are available for review through Montefiore's HR-Benefits Office during normal working hours. Upon written request to the Plan Administrator, copies of any of these documents will be furnished to a Program member or beneficiary within 30 days at a nominal cost.

Plan Continuation

Montefiore expects and intends to continue the Medical, Vision, Dental, Flexible Spending Accounts, Life Insurance, Business Travel Accident Insurance, Dependent Life Insurance, Accidental Death & Dismemberment Insurance and Group Legal Services Plans indefinitely, but reserves the right to change, modify or terminate the Plans, in whole or in part, at any time and for any reason. If Medical, Vision and/or Dental benefits are terminated, you will not have the right to any benefits or have any further rights – other than the payment of covered expenses you had incurred before the coverage terminated.

Your Rights Under ERISA (Employee Retirement Income Security Act of 1974)

The benefits provided by the Montefiore Associate Benefits Program are covered by ERISA. The law does not require Montefiore to provide benefits. However, it does set standards for any benefits Montefiore offers – and it requires that you be given an opportunity to learn what those benefits are and your rights to them under the law. ERISA provides that all Plan participants, with appropriate notice, shall be entitled to:

- Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plans, including the Trust agreement and administrative service contracts, Plan descriptions and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration (EBSA) – formerly the Pension and Welfare Benefits Administration.
- Obtain, upon written request to the Plan Administrator, copies of all documents governing the operation of the Plans, including the Trust agreement and administrative service contracts, copies of the latest annual report (Form 5500 Series), and updated Summary Plan Description. The Plan Administrator may make a reasonable charge for the copies.
- Receive a summary of each Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this Summary Annual Report.
- Continue healthcare coverage for yourself, spouse or dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this Summary Plan Description and the documents governing the Plan on the rules governing your COBRA continuation coverage rights.

HIPAA also requires that you be provided with a certificate of creditable coverage free of charge if you leave Montefiore. You can request a certificate of creditable coverage:

- when you lose health coverage
 - when you become entitled to elect COBRA continuation coverage
 - when your COBRA continuation coverage ends
 - at any time before losing healthcare coverage
- or*
- up to 24 months after losing healthcare coverage.

You can use a certificate of creditable coverage to eliminate or reduce any pre-existing condition limitation period under another group healthcare plan.

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of employee benefit plans. The people who operate your Plans, called “fiduciaries” of the Plans, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. Although these rights are in no way a guarantee or contract of employment, no one may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit from a plan or exercising your rights under ERISA.

If a claim for a benefit is denied or ignored, in whole or in part, you must receive a written explanation of the reason for the denial. You have the right to have the appropriate fiduciary review and reconsider your claim.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request materials from the appropriate fiduciary and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the appropriate fiduciary to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the appropriate fiduciary.

If you have a claim for benefits that is denied or ignored, in whole or in part, you may file suit in a state or federal court. In addition, if you disagree with the Plan’s decision or lack thereof concerning a medical child support order or the status of a qualified domestic relations order, you may file suit in federal court.

If it should happen that Plan fiduciaries misuse a Plan’s money, or, if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who pays court costs and legal fees.

If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees if, for example, it finds your claim is frivolous.

If you have any questions about these plans, you should contact the appropriate fiduciary. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of EBSA, U.S. Department of Labor listed in your telephone directory, or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of EBSA at **800.998.7542**.
