Network Directory Connecticut

Finding a network dentist near your home or office is easy. Just look inside. For the most current information on network dental offices in your area, search the online directory at **Cigna.com** or call the Dental Office Locator at **1.800.Cigna24 (1.800.244.6224)**.

The dentists in this directory are private-practice, credentialed independent professionals, dedicated to quality care and service.

Total Cigna PPO Connecticut Directory

This list of participating dentists is subject to change. Prior to making an appointment, please confirm the dentist's network participation either through the dental office or your Connecticut General claim office. Please visit our website, www.cigna.com.

* This dentist is currently at capacity and is not accepting new patients at this time.

Please read this information so you will know from which or what group of dentists in-network benefits may be obtained. Network benefits are available from dentists participating in the Cigna Dental PPO. If you have a hearing or speech disability, please use your state Telecommunications Relay Service to call us. This service makes it easier for people who have hearing or speech disabilities to communicate with people who do not. Check your local telephone directory for your Relay Service's phone number.

Total Cigna PPO Connecticut Directory

This list of participating dentists is subject to change. Prior to making an appointment, please confirm the dentist's network participation either through the dental office or your Connecticut General claim office. Please visit our website, www.cigna.com.

* This dentist is currently at capacity and is not accepting new patients at this time.

Please read this information so you will know from which or what group of dentists in-network benefits may be obtained. Network benefits are available from dentists participating in the Cigna Dental PPO. If you have a hearing or speech disability, please use your state Telecommunications Relay Service to call us. This service makes it easier for people who have hearing or speech disabilities to communicate with people who do not. Check your local telephone directory for your Relay Service's phone number.

Total Cigna PPO Connecticut Directory

This list of participating dentists is subject to change. Prior to making an appointment, please confirm the dentist's network participation either through the dental office or your Connecticut General claim office. Please visit our website, www.cigna.com.

ORAL SURGERY

* This dentist is currently at capacity and is not accepting new patients at this time.

Please read this information so you will know from which or what group of dentists in-network benefits may be obtained. Network benefits are available from dentists participating in the Cigna Dental PPO. If you have a hearing or speech disability, please use your state Telecommunications Relay Service to call us. This service makes it easier for people who have hearing or speech disabilities to communicate with people who do not. Check your local telephone directory for your Relay Service's phone number.

Total Cigna PPO Connecticut Directory

This list of participating dentists is subject to change. Prior to making an appointment, please confirm the dentist's network participation either through the dental office or your Connecticut General claim office. Please visit our website, www.cigna.com.

* This dentist is currently at capacity and is not accepting new patients at this time.

Please read this information so you will know from which or what group of dentists in-network benefits may be obtained. Network benefits are available from dentists participating in the Cigna Dental PPO. If you have a hearing or speech disability, please use your state Telecommunications Relay Service to call us. This service makes it easier for people who have hearing or speech disabilities to communicate with people who do not. Check your local telephone directory for your Relay Service's phone number.

Total Cigna PPO Connecticut Directory

This list of participating dentists is subject to change. Prior to making an appointment, please confirm the dentist's network participation either through the dental office or your Connecticut General claim office. Please visit our website, www.cigna.com.

* This dentist is currently at capacity and is not accepting new patients at this time.

Please read this information so you will know from which or what group of dentists in-network benefits may be obtained. Network benefits are available from dentists participating in the Cigna Dental PPO. If you have a hearing or speech disability, please use your state Telecommunications Relay Service to call us. This service makes it easier for people who have hearing or speech disabilities to communicate with people who do not. Check your local telephone directory for your Relay Service's phone number.

* This dentist is currently at capacity and is not accepting new patients at this time.

Please read this information so you will know from which or what group of dentists in-network benefits may be obtained. Network benefits are available from dentists participating in the Cigna Dental PPO. If you have a hearing or speech disability, please use your state Telecommunications Relay Service to call us. This service makes it easier for people who have hearing or speech disabilities to communicate with people who do not. Check your local telephone directory for your Relay Service's phone number.

Total Cigna PPO Connecticut Directory

This list of participating dentists is subject to change. Prior to making an appointment, please confirm the dentist's network participation either through the dental office or your Connecticut General claim office. Please visit our website, www.cigna.com.

* This dentist is currently at capacity and is not accepting new patients at this time.

Please read this information so you will know from which or what group of dentists in-network benefits may be obtained. Network benefits are available from dentists participating in the Cigna Dental PPO. If you have a hearing or speech disability, please use your state Telecommunications Relay Service to call us. This service makes it easier for people who have hearing or speech disabilities to communicate with people who do not. Check your local telephone directory for your Relay Service's phone number.

Total Cigna PPO Connecticut Directory

This list of participating dentists is subject to change. Prior to making an appointment, please confirm the dentist's network participation either through the dental office or your Connecticut General claim office. Please visit our website, www.cigna.com.

Please read this information so you will know from which or what group of dentists in-network benefits may be obtained. Network benefits are available from dentists participating in the Cigna Dental PPO. If you have a hearing or speech disability, please use your state Telecommunications Relay Service to call us. This service makes it easier for people who have hearing or speech disabilities to communicate with people who do not. Check your local telephone directory for your Relay Service's phone number.

Total Cigna PPO Connecticut Directory

This list of participating dentists is subject to change. Prior to making an appointment, please confirm the dentist's network participation either through the dental office or your Connecticut General claim office. Please visit our website, www.cigna.com.

Please read this information so you will know from which or what group of dentists in-network benefits may be obtained. Network benefits are available from dentists participating in the Cigna Dental PPO. If you have a hearing or speech disability, please use your state Telecommunications Relay Service to call us. This service makes it easier for people who have hearing or speech disabilities to communicate with people who do not. Check your local telephone directory for your Relay Service's phone number.

Total Cigna PPO Connecticut Directory

This list of participating dentists is subject to change. Prior to making an appointment, please confirm the dentist's network participation either through the dental office or your Connecticut General claim office. Please visit our website, www.cigna.com.

* This dentist is currently at capacity and is not accepting new patients at this time.

Please read this information so you will know from which or what group of dentists in-network benefits may be obtained. Network benefits are available from dentists participating in the Cigna Dental PPO. If you have a hearing or speech disability, please use your state Telecommunications Relay Service to call us. This service makes it easier for people who have hearing or speech disabilities to communicate with people who do not. Check your local telephone directory for your Relay Service's phone number.

Total Cigna PPO Connecticut Directory

This list of participating dentists is subject to change. Prior to making an appointment, please confirm the dentist's network participation either through the dental office or your Connecticut General claim office. Please visit our website, www.cigna.com.

* This dentist is currently at capacity and is not accepting new patients at this time.

Please read this information so you will know from which or what group of dentists in-network benefits may be obtained. Network benefits are available from dentists participating in the Cigna Dental PPO. If you have a hearing or speech disability, please use your state Telecommunications Relay Service to call us. This service makes it easier for people who have hearing or speech disabilities to communicate with people who do not. Check your local telephone directory for your Relay Service's phone number.

Total Cigna PPO Connecticut Directory

This list of participating dentists is subject to change. Prior to making an appointment, please confirm the dentist's network participation either through the dental office or your Connecticut General claim office. Please visit our website, www.cigna.com.

* This dentist is currently at capacity and is not accepting new patients at this time.

Please read this information so you will know from which or what group of dentists in-network benefits may be obtained. Network benefits are available from dentists participating in the Cigna Dental PPO. If you have a hearing or speech disability, please use your state Telecommunications Relay Service to call us. This service makes it easier for people who have hearing or speech disabilities to communicate with people who do not. Check your local telephone directory for your Relay Service's phone number.

Total Cigna PPO Connecticut Directory

This list of participating dentists is subject to change. Prior to making an appointment, please confirm the dentist's network participation either through the dental office or your Connecticut General claim office. Please visit our website, www.cigna.com.

Please read this information so you will know from which or what group of dentists in-network benefits may be obtained. Network benefits are available from dentists participating in the Cigna Dental PPO. If you have a hearing or speech disability, please use your state Telecommunications Relay Service to call us. This service makes it easier for people who have hearing or speech disabilities to communicate with people who do not. Check your local telephone directory for your Relay Service's phone number.

Total Cigna PPO Connecticut Directory

This list of participating dentists is subject to change. Prior to making an appointment, please confirm the dentist's network participation either through the dental office or your Connecticut General claim office. Please visit our website, www.cigna.com.

* This dentist is currently at capacity and is not accepting new patients at this time.

Please read this information so you will know from which or what group of dentists in-network benefits may be obtained. Network benefits are available from dentists participating in the Cigna Dental PPO. If you have a hearing or speech disability, please use your state Telecommunications Relay Service to call us. This service makes it easier for people who have hearing or speech disabilities to communicate with people who do not. Check your local telephone directory for your Relay Service's phone number.

Total Cigna PPO Connecticut Directory

This list of participating dentists is subject to change. Prior to making an appointment, please confirm the dentist's network participation either through the dental office or your Connecticut General claim office. Please visit our website, www.cigna.com.

* This dentist is currently at capacity and is not accepting new patients at this time.

Please read this information so you will know from which or what group of dentists in-network benefits may be obtained. Network benefits are available from dentists participating in the Cigna Dental PPO. If you have a hearing or speech disability, please use your state Telecommunications Relay Service to call us. This service makes it easier for people who have hearing or speech disabilities to communicate with people who do not. Check your local telephone directory for your Relay Service's phone number.

Total Cigna PPO Connecticut Directory

This list of participating dentists is subject to change. Prior to making an appointment, please confirm the dentist's network participation either through the dental office or your Connecticut General claim office. Please visit our website, www.cigna.com.

Please read this information so you will know from which or what group of dentists in-network benefits may be obtained. Network benefits are available from dentists participating in the Cigna Dental PPO. If you have a hearing or speech disability, please use your state Telecommunications Relay Service to call us. This service makes it easier for people who have hearing or speech disabilities to communicate with people who do not. Check your local telephone directory for your Relay Service's phone number.

Total Cigna PPO Connecticut Directory

This list of participating dentists is subject to change. Prior to making an appointment, please confirm the dentist's network participation either through the dental office or your Connecticut General claim office. Please visit our website, www.cigna.com.

* This dentist is currently at capacity and is not accepting new patients at this time.

Please read this information so you will know from which or what group of dentists in-network benefits may be obtained. Network benefits are available from dentists participating in the Cigna Dental PPO. If you have a hearing or speech disability, please use your state Telecommunications Relay Service to call us. This service makes it easier for people who have hearing or speech disabilities to communicate with people who do not. Check your local telephone directory for your Relay Service's phone number.

Total Cigna PPO Connecticut Directory

This list of participating dentists is subject to change. Prior to making an appointment, please confirm the dentist's network participation either through the dental office or your Connecticut General claim office. Please visit our website, www.cigna.com.

All Cigna products and services are provided exclusively by or through operating subsidiaries of Cigna Corporation. Cigna Dental PPO plans are insured or administered by Cigna Health and Life Insurance Company (CHLIC) or Connecticut General Life Insurance Company (CGLIC), with network management services provided by Cigna Dental Health, Inc. and certain of its subsidiaries. In Texas, the insured dental network product offered by CHLIC and CGLIC is referred to as the Cigna Dental Choice Plan, and this plan uses the national Cigna Dental PPO network. OK form numbers: HP-POL99 (CHLIC), GM6000 ELI288 et al (CGLIC). The Cigna name, logo, and other Cigna marks are owned by Cigna Intellectual Property, Inc.
